Ga Bible Ghana:

Daily Graphic Yaw Boadu-Ayeboafah,2006-06-06 New Testament Miracle Stories in Ghanaian Mother-Tongues

Abraham Boateng,2024-08-05 This book examines the translations of selected miracle stories from the Hebrew Bible Septuagint LXX and the Greek New Testament into selected Ghanaian mother tongues considering possible shifts of meaning that occur in translating 1Kings 18 25 38 Mark 9 14 29 and Luke 7 11 17 are used as case studies The author draws out semiotic hermeneutical nuances of these texts as they are understood in the Ghanaian context and addresses questions in the field of Biblical studies concerning the relevance of intercultural hermeneutics for current trends in Ghanaian Christianity Particularly important is the high premium placed on miracles in present day Ghanaian spirituality making a careful analysis of these stories particularly relevant for the Ghanaian audience The study also explores several factors that influence the translation process and have a bearing on the reception and use of the text It follows the growing calls for a shift in African Biblical hermeneutics from the theological heritage of Europe and America to the emerging theological trajectories of Africa This post colonial shift re examines the translated text moving from what the text might have meant to what the text might mean in Africa

The Prophetic Voice of Amos on Contemporary Social Justice Patrick Kofi Amissah,2023-09-14 This volume comprehensively examines all texts dealing with social justice in the Prophecy of Amos It also provides evidence of contemporary systemic social injustice The volume then reflects on how biblical social justice is relevant to the contemporary quest for social justice This volume demonstrates that irrespective of the hermeneutical challenges the principles gleaned from the pages of the Hebrew Bible can dialogue effectively with modern issues and deduce living principles that could enable us to deal with issues that confront us today It is thus a framework by which biblical social justice illuminates the contemporary quest for social justice
