Caesar A Biography Christian Meier

S Baum

Caesar A Biography Christian Meier:

Caesar Christian Meier,1995 This biography situates Julius Caesar within the wider context of the crisis of the Roman Republic The author begins his account with an exposition of the upbringing and education of Caesar demonstrating how limitations were deliberately imposed on the development of talent and the growth of personality of Romans But early on Caesar marked himself out as one whose self confidence and energy would one day bring him into conflict with institutions obsessed with the denial of the individual He was the first outside to challenge the Senate and he got away with it It was not that he wanted to destroy the Republic rather he believed strongly in the rights of individuals and their rights to freedom of speech *Julius Caesar and the Transformation of the Roman Republic* Tom Stevenson,2014-10-30 Julius Caesar and the Transformation of the Roman Republic provides an accessible introduction to Caesar s life and public career It outlines the main phases of his career with reference to prominent social and political concepts of the time This approach helps to explain his aims ideals and motives as rooted in tradition and demonstrates that Caesar s rise to power owed much to broad historical processes of the late Republican period a view that contrasts with the long held idea that he sought to become Rome s king from an early age This is an essential undergraduate introduction to this fascinating figure and to his role in the transformation of Rome from republic to empire

Julius Caesar Richard A. Billows,2008-11-28 Julius Caesar offers a lively engaging and thoroughly up to date account of Caesar s life and times Richard Billows dynamic and fast paced narrative offers an imaginative recounting of actions and events providing the ideal introduction to Julius Caesar for general readers and students of classics and ancient history The book is not just a biography of Caesar but an historical account and explanation of the decline and fall of the Roman Republican governing system in which Caesar played a crucial part To understand Caesar s life and role it is necessary to grasp the political social and economic problems Rome was grappling with and the deep divisions within Roman society that came from them Caesar has been seen variously as a mere opportunist a power hungry autocrat an arrogant aristocrat disdaining rivals a traditional Roman noble politician who stumbled into civil war and autocracy thanks to being misunderstood by his rivals and even as the ideal man and pattern of all virtues Richard A Billows argues that such portrayals fail to consider the universal testimony of our ancient sources that Roman political life was divided in Caesar s time into two great political tendencies called optimates and populares in the sources of which Caesar came to be the leader of one the popularis faction Billows suggests that it is only when we see Caesar as the leader of a great political and social movement that had been struggling with its rival movement for decades and had been several times violently repressed in the course of that struggle that we can understand how and why Caesar came to fight and win a civil war and bring the traditional governing system of Rome to an end

Julius Caesar Horst Zander,2005-07-05 This book explores traditional approaches to the play which includes an examination of the play in light of current history in the context of Renaissance England and in relation to Shakespeare s other Roman plays as well as structural examination of plot

language character and source material Julius Caesar CriticalEssays also examines the current debates concerning the play in Marxist psychoanalytic deconstructive queer and gender contexts **The Death of Caesar** Barry Strauss,2016-03-22 A professor of history and classics describes the actual events of March 15 44 BC when Julius Caesar was murdered during the Roman civil wars and compares them to those outlined by William Shakespeare in his famous play Publisher s description

Julius Caesar Don Nardo,2002 Contains essays that provide information about the life and deeds of Roman leader Julius Caesar discussing his actions as a politician soldier orator and writer and dictator **Cicero** Anthony Everitt,2011-11-30 NATIONAL BESTSELLER An excellent introduction to a critical period in the history of Rome Cicero comes across much as he must have lived reflective charming and rather vain The Wall Street Journal All ages of the world have not produced a greater statesman and philosopher combined John Adams He squared off against Caesar and was friends with young Brutus He advised the legendary Pompey on his botched transition from military hero to politician He lambasted Mark Antony and was master of the smear campaign as feared for his wit as he was for his ruthless disputations Brilliant voluble cranky a genius of political manipulation but also a true patriot and idealist Cicero was Rome s most feared politician one of the greatest lawyers and statesmen of all times In this dynamic and engaging biography Anthony Everitt plunges us into the fascinating scandal ridden world of ancient Rome in its most glorious heyday when senators were endlessly filibustering legislation and exposing one another s sexual escapades to discredit the opposition Accessible to us through his legendary speeches but also through an unrivaled collection of unguarded letters to his close friend Atticus Cicero comes to life as a witty and cunning political operator the most eloquent and astute witness to the last days of Republican Rome Praise for Cicero Everitt makes his subject brilliant vain principled opportunistic and courageous come to life after two millennia The Washington Post Gripping Everitt combines a classical education with practical expertise He writes fluidly The New York Times In the half century before the assassination of Julius Caesar Rome endured a series of crises assassinations factional bloodletting civil wars and civil strife including at one point government by gang war This period when republican government slid into dictatorship is one of history s most fascinating and one learns a great deal about it in this excellent and very readable biography The Plain Dealer Riveting a clear eyed biography Cicero s times offer vivid lessons about the viciousness that can pervade elected government Chicago Tribune Lively and dramatic By the book s end he s managed to put enough flesh on Cicero s old bones that you care when the agents of his implacable enemy Mark Antony kill him Los Angeles Times **Authenticating Criteria in Jesus Research and Beyond** Kevin B. Burr,2023-10-16 Are the criteria of authenticity of Jesus research idiosyncratic to New Testament studies vehicles of subjectivity and fundamentally flawed vestiges of form criticism as some claim today If so why do opponents of the criteria approach still use them Or are the criteria the tools of general historiography as others assert If true none have adequately demonstrated where and how principles such as multiple attestation general and historical coherence dissimilarity and embarrassment feature in general

historiographic method until now This study analyzes the methods of general historians and Jesus researchers who favor or oppose the criteria and demonstrates that regardless of sub discipline authenticating criteria are inherent to the practice of historiography

The Essentials of Greek and Roman Law Russ VerSteeg,2010 Countless books detail the development of Roman law and explain the laws of the ancient Romans Similarly many scholars have traced the law of ancient Athens Written for both students and educated lay readers the chapters dealing with ancient Greece focus primarily on the law of ancient Athens in the 5th and 4th centuries B C E But material relating to other Greek colonies and city states also plays a significant role in the development of ancient Greek law The Roman law chapters explore both law and legal institutions and emphasize the growth and expansion of legal principles Roman law still serves as the foundation for the civil laws of many nations today And given the importance of globalization Roman law is likely to continue to influence the modern word for the foreseeable future Each unit begins with a Background Beginnings chapter that establishes the historical context in which law developed and introduces relevant principles of jurisprudence i e legal philosophy The second chapter in each unit covers procedural aspects of the law such as court structure judges trial procedure evidence and legislation The remaining chapters examine substantive legal topics such as property contracts family law criminal law and the like The text also maintains a focus on the connections and influences of social cultural economic philosophical and political forces as they have affected law and its development In addition several sections of the book add another dimension These sections entitled Law in Literature use works of ancient literature to explore aspects of law as seen through the eyes of poets dramatists orators and historians In theory modern readers can learn a great deal about law through literature because literature often lacks the official filter of many traditional legal sources Of course each individual author brings his own biases about law and the legal system to his writing But as long as we acknowledge the potential for such bias these sections have the potential to offer completely different perspectives and insights

American Book Publishing Record ,1996 **National Union Catalog** ,1982 Includes entries for maps and atlases Subject Catalog Library of Congress,1982 *National Union Catalog, 1982* ,1983

Rulers of Ancient Rome Don Nardo,1999 Discusses the contributions of various rulers of ancient Rome including Fabius Marius Caesar Cicero Augustus Nero Constantine and Justinian

St. James Guide to Biography Paul E. Schellinger,1991 Supplies bibliographical and critical analysis of available biographies in English The Library and Reading of Jonathan Swift Dirk Friedrich Passmann,2003

Julius Caesar as Artful Reporter Kathryn Welch,Anton Powell,1998 Far from being a plain and traditional record of warfare Caesar s Commentaries are here shown to illuminate the political thinking of a man on his way to reshaping the world

BOOK JACKET **New Directions in European Historiography** Georg G. Iggers,Norman Baker,1975

The International Military Encyclopedia: Antioch, Siege of (261-262) ; Arges River, Battle of the Norman Tobias,2001

Always I Am Caesar W. Jeffrey Tatum,2008-04-21 By examining his military and political career home life and relationships with women *Always I Am Caesar* provides a vivid

portrait of Caesar s life and the times of ancient Rome during its transition from republic to empire Provides a richer portrait of Caesar s life by viewing him from multiple perspective and relating him to broader Roman society Explores aspects of Caesar s career in cultural and social terms Engaging and witty style will appeal to general readers
