Calvin F Bruce Gordon:

Calvin Bruce Gordon, 2009-07-21 During the glory days of the French Renaissance young John Calvin 1509 1564 experienced a profound conversion to the faith of the Reformation For the rest of his days he lived out the implications of that transformation as exile inspired reformer and ultimately the dominant figure of the Protestant Reformation Calvin s vision of the Christian religion has inspired many volumes of analysis but this engaging biography examines a remarkable life Bruce Gordon presents Calvin as a human being a man at once brilliant arrogant charismatic unforgiving generous and shrewd The book explores with particular insight Calvin s self conscious view of himself as prophet and apostle for his age and his struggle to tame a sense of his own superiority perceived by others as arrogance Gordon looks at Calvin s character his maturing vision of God and humanity his personal tragedies and failures his extensive relationships with others and the context within which he wrote and taught What emerges is a man who devoted himself to the Church inspiring and transforming the lives of others especially those who suffered persecution for their religious beliefs **Zwingli** F. Bruce Gordon, 2021-11-30 A major new biography of Huldrych Zwingli the warrior preacher who shaped the early Reformation Huldrych Zwingli 1484 1531 was the most significant early reformer after Martin Luther As the architect of the Reformation in Switzerland he created the Reformed tradition later inherited by John Calvin His movement ultimately became a global religion A visionary of a new society Zwingli was also a divisive and fiercely radical figure Bruce Gordon presents a fresh interpretation of the early Reformation and the key role played by Zwingli A charismatic preacher and politician Zwingli transformed church and society in Zurich and inspired supporters throughout Europe Yet Gordon shows he was seen as an agitator and heretic by many and his bellicose unyielding efforts to realize his vision would prove his undoing Unable to control the movement he had launched Zwingli died on the battlefield fighting his Catholic opponents The Trauma of Doctrine Paul Maxwell, 2021-01-12 The Trauma of Doctrine is a theological investigation into the effects of abuse trauma upon the experience of Christian faith the psychological mechanics of these effects their resonances with Christian Scripture and neglected research informed strategies for cultivating post traumatic resilience Paul Maxwell examines the effect that the Calvinist belief can have upon the traumatized Christian who negatively internalizes its superlative doctrines of divine control and human moral corruption and charts a way toward meaningful spiritual recovery Jacob Green's Revolution S. Scott Rohrer, 2014-09-10 Part biography and part microhistory Jacob Green s Revolution focuses on two key figures in New Jersey s revolutionary drama Jacob Green a radical Presbyterian minister who advocated revolution and Thomas Bradbury Chandler a conservative Anglican minister from Elizabeth Town who was a leading loyalist spokesman in America Both men were towering intellects who were shaped by Puritan culture and the Enlightenment and both became acclaimed writers and leading figures in New Jersey Green for the rebelling colonists Chandler for the king Through their stories this book examines the ways in which religion influenced reform during a pivotal time in American history Geneva's Use of Lies,

Deceit, and Subterfuge, 1536-1563 Jon Balsarak,2024-09-17 This study examines the ethical character of John Calvin and his Genevan colleagues evangelizing of France It reveals that Calvin s plans for proselytizing his homeland involved lying deception and obfuscation which were employed as a means of evading detection by the French authorities Balsarak considers important questions about the relationship between godliness and cunning about Calvin s manufacturing of his image and about the lengths to which he and his colleagues went to spread their gospel *Journal of the Senate of the ... Jenkins,2018-04-17 This book offers a unique approach to Calvin by introducing the individuals and groups who through their opposition to Calvin s theology and politics helped shape the Reformer his theology and his historical and religious legacy Respected church historian Gary Jenkins shows how Calvin had to defend or rethink his theology in light of his tormentors challenges giving readers a more nuanced view of Calvin s life and thought The book highlights the central theological ideas of the Swiss Reformation and introduces figures and movements often excluded from standard texts **Index of Patents Issued from the United States Patent and Trademark Office** ,1981 **Biography and Genealogy Master Index** ,1989 **Calvin and Luther: The Continuing Relationship** R.
