## **Machine Platform Crowd:**

Machine, Platform, Crowd Andrew McAfee, Erik Brynjolfsson, 2017-06-27 A clear and crisply written account of machine intelligence big data and the sharing economy But McAfee and Brynjolfsson also wisely acknowledge the limitations of their futurology and avoid over simplification Financial Times In The Second Machine Age Andrew McAfee and Erik Brynjolfsson predicted some of the far reaching effects of digital technologies on our lives and businesses Now they ve written a guide to help readers make the most of our collective future Machine Platform Crowd outlines the opportunities and challenges inherent in the science fiction technologies that have come to life in recent years like self driving cars and 3D printers online platforms for renting outfits and scheduling workouts or crowd sourced medical research and financial instruments

**Machine, Platform, Crowd** Andrew McAfee, Erik Brynjolfsson, 2017-06-27 From the authors of the best selling The Second Machine Age a leader s guide to success in a rapidly changing economy We live in strange times A machine plays the strategy game Go better than any human upstarts like Apple and Google destroy industry stalwarts such as Nokia ideas from the crowd are repeatedly more innovative than corporate research labs MIT s Andrew McAfee and Erik Brynjolfsson know what it takes to master this digital powered shift we must rethink the integration of minds and machines of products and platforms and of the core and the crowd In all three cases the balance now favors the second element of the pair with massive implications for how we run our companies and live our lives In the tradition of agenda setting classics like Clay Christensen s The Innovator s Dilemma McAfee and Brynjolfsson deliver both a penetrating analysis of a new world and a toolkit for thriving in it For startups and established businesses or for anyone interested in what the future holds Machine Platform Crowd is essential reading

Economic Dignity Gene Sperling, 2021-10-12 Timely and important It should be our North Star for the recovery and beyond Hillary Clinton Sperling makes a forceful case that only by speaking to matters of the spirit can liberals root their belief in economic justice in people s deepest aspirations in their sense of purpose and self worth The New York Times When Gene Sperling was in charge of coordinating economic policy in the Obama White House he found himself surprised when serious people in Washington told him that the Obama focus on health care was a distraction because it was not focused on the economy How he asked was the fear felt by millions of Americans of being one serious illness away from financial ruin not considered an economic issue Too often Sperling found that we measured economic success by metrics like GDP instead of whether the economy was succeeding in lifting up the sense of meaning purpose fulfillment and security of people In Economic Dignity Sperling frames the way forward in a time of wrenching change and offers a vision of an economy whose guiding light is the promotion of dignity for all Americans

**Summary of Andrew McAfee & Erik Brynjolfsson's Machine, Platform, Crowd** Everest Media, 2022-06-22T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 Go is a strategy game developed in China about 2 500 years ago It is difficult to play well and no luck is involved It is considered a more difficult game than chess 2 Go players use a group of heuristics to

navigate the absurd complexity of the game They are unable to explain how they know what they know and it is hard to make such tacit knowledge explicit 3 A computer was able to win a five game match against the European Go champion in 2015 and many analysts and commentators called this a breakthrough However some argued that the magnitude of the achievement was exaggerated 4 The games between Sedol and AlphaGo attracted intense interest throughout Korea and other East Asian countries AlphaGo won the first three games ensuring itself of victory overall in the best of five match But Sedol came back to win the fourth game
