They Dared Return Patrick K. O'Donnell,2010-08 Having barely escaped Germany several Jewish friends are determined to strike back at the Third Reich while their families languish in concentration camps After months of training with the U S Army a small group of spies is formed including several former German soldiers now willing to betray their Fuhrer for the greater good of Germany The mission s commander is a Jewish sergeant who only months earlier was plucked from the streets of Brooklyn The men are sent on a covert operation deep into the heavily fortified area of Austria s Alpine Redoubt where Hitler planned to make his last stand Capture meant almost certain death success a swift end to the war Using recently declassified files private documents and personal interviews military historian Patrick K O Donnell has written another cinematic World War II drama filled with an unforgettable cast of characters and packed with action suspense and intrigue
