Choosing and Using Fiction and Non-Fiction 3-11 Margaret Mallett, 2019-10-30 *Choosing and Using Fiction and Non-Fiction 3-11* is a guide for primary teachers to the many kinds of texts children encounter, use and enjoy in their nursery and primary school years, providing an invaluable insight into the literature available. Addressing important issues and allowing for the voices of teachers, reviewers and children to be heard, it contains suggestions of best practice which offer a more creative approach to learning. Including both fiction and non-fiction with genres ranging from picturebooks to biographies, this fully updated second edition features new coverage on recent books, discussion of new changes in concepts of literacy particularly focused on technological advances in moving image media and virtual worlds, the balance between print and screen-based texts on developing children's visual and multimodal literacy, annotated booklists for each genre for different age groups, new sections on equality, diversity and translation. Exploring fiction, non-fiction and poetry, *Choosing and Using Fiction and Non-Fiction 3-11* is an invaluable resource supporting teachers as they help children on their journey to becoming insightful and critical readers of non-fiction and sensitive and reflective readers of fiction.

Effective Resources for Able and Talented Children Barry Teare, 1999-01-01 *Effective Resources for Able and Talented Children* has been written to meet the massive demand for practical resources designed to stimulate and inspire more able pupils. It can be seen as a practical sequel to Barry Teare's *Effective Provision for Able and Talented Children* published by Network Educational Press, but also stands entirely alone as the activities can be used quite independently. What the Book Covers: Contains a wealth of attractive and exciting photocopiable resources for able and talented pupils in both the primary and secondary sectors. Provides activities designed to inspire, motivate, challenge and stretch able children, encouraging them to enjoy their true potential. Begins with sections designed to help teachers build provision for able and talented children into the curriculum. The large bank of resources is organised according to areas of the National Curriculum and Scottish 5-14 Guidelines, such as English, Science and Mathematics, each preceded by a commentary outlining key principles and giving general guidance for teachers.
