

The Immortal Life of Henrietta Lacks: Dialectical Journal

The great scientists, you will find, are those who have a profound knowledge of the human mind, and an ability to see the world as it is, and not as it should be. They are those who have a deep understanding of the human mind, and an ability to see the world as it is, and not as it should be. They are those who have a deep understanding of the human mind, and an ability to see the world as it is, and not as it should be.
