## **Himmler:**

*Heinrich Himmler* Peter Longerich,2011-10-27 As head of the SS chief of police Reichskommissar for the Consolidation of Germanness and Reich Interior Minister Heinrich Himmler enjoyed a position of almost unparalleled power and responsibility in Nazi Germany Perhaps more than any other single Nazi leader aside from Hitler his name has become a byword for the terror persecution and destruction that characterized the Third Reich His wide ranging powers meant that he bore equal responsibility for the repression of the German people on the home front and the atrocities perpetrated by the SS in the East Yet in spite of his central role in the crimes of the Nazi regime until now Himmler has remained a colourless and elusive figure in the history of the period In this the first ever comprehensive biography of the SS Reichsf hrer leading German historian Peter Longerich puts every aspect of Himmler s life under the microscope Masterfully interweaving the story of Himmler s personal life and political career with the wider history of the Nazi dictatorship Longerich shows how skilfully he exploited and manipulated his disparate roles in the pursuit of his far reaching and grandiose objectives In the process he illuminates the extraordinary degree to which Himmler s own personal prejudices idiosyncrasies and predilections made their mark on the organizations for which he was responsible especially the SS which in so many ways bore the characteristic hallmarks of its leader and whose history remains both incomplete and incomprehensible without a detailed and intimate knowledge of its deeply sinister commander in chief

Himmler Willi Frischauer,2016-10-27 Originally published in 1953 this masterly study of Heinrich Himmler is a forceful dispassionate analysis of a man who rose from obscure beginnings as an agricultural student to a position of almost absolute power until in the Nazi twilight he challenged Hitler himself Outwardly insignificant diffident possessing neither the flamboyance of Goering nor the incisiveness of Goebbels Himmler head of the dreaded Secret Police yet made himself the man most feared in the Nazi hierarchy and as much by his friends as his enemies Only when the incredible facts about Himmler s extraordinary hold over his colleagues became known were the full depths of the infamy to which Nazism had brought Germany revealed Based on journalist Willi Frischauer s unique knowledge of the background and sequence of events which gave rise to the Hitler regime he manages to unearth the evidence building up stone by stone the mosaic of Himmler s true portrait A fully documented and unforgettable narrative

*Heinrich Himmler* Rolf Michaelis,2017-04-28 All of Heinrich Himmler s roles and official positions are described in detail

**Heinrich Himmler** Roger Manvell,Heinrich Fraenkel,2007-09-17 Authors Roger Manvell and Heinrich Fraenkel notable biographers of the World War II German leaders Joseph Goebbels and Herman Goring delve into the life of one of the most sinister clever and successful of all the Nazi leaders Heinrich Himmler As the head of the feared SS Himmler supervised the extermination of millions Here is the story of how a seemingly ordinary boy grew into an obsessive and superstitious man who ventured into herbalism astrology and homeopathic medicine before finally turning to the science of racial purity and the belief in the superiority of the Aryan people

*The Himmler Brothers* Katrin Himmler,2007 Once upon

a time the Himmlers were just a normal German family middle class hard working well educated There were three brothers Gebhart Heinrich and Ernst Heinrich grew up to become the head of Hitler s SS mastermind of the concentration camp system and chief perpetrator of the Holocaust When Katrin Himmler Heinrich s great niece was 15 one of her schoolmates asked during a history lesson if she was related to the Himmler Yes she stammered at which there was a deathly hush in the classroom and the teacher embarrassed and unsure quickly moved the lesson on As she grew older Katrin gave her family history a wide berth but married to an Israeli whose family was confined to the Warsaw Ghetto and with a young half Jewish son she realizes that she cannot evade the past so easily Katrin Himmler s cool but meticulous examination of the Himmler story reveals in all its dark complexity the gulf between the normality of bourgeois family life and the horrors perpetrated by one member and a more nuanced portrait of Heinrich himself emerges not a lone evil executioner but a middle class family man loved and fully supported by his respectable German family

**Heinrich Himmler** Bradley F. Smith,1971 The Private Heinrich Himmler Katrin Himmler,Michael Wildt,2016-03-08 At the end of World War II it was assumed that the letters of Heinrich Himmler were lost Yet sixty years after Himmler s capture by British troops and subsequent suicide the letters mysteriously turned up in Tel Aviv and in early 2014 excerpts were published for the first time by the Israeli newspaper Yediot Aharonot providing a rare if jarring glimpse into the family life of one of Hitler s top lieutenants while he was busy organizing the mass extermination of the Jews It was generally held that Himmler once appointed head of the SS blended seamlessly into the Nazi hierarchy The image that emerges however is more subtle Himmler is seen here as a man whose observations can often be characterized by their unpleasant banality a man whose obsession with family life ran alongside a brutal detachment from all things human a serial killer who oversaw the persecution and extermination of all Jews and other non Aryans and those opposed to the regime His letters remove any doubt that he was the architect of the Final Solution and a man who was much closer to Hitler than many historians previously thought The letters in this edition were arranged by Katrin Himmler the great niece of Heinrich and Marga Himmler and Michael Wildt a renowned expert on the Nazi regime who also provide historical context to the letters and their author The entire work was translated by Thomas S Hansen and Abby J Hansen

**The Himmler**

**Brothers** Katrin Himmler, 2012-05-31 Katrin Himmler's cool but meticulous examination of the Himmler story reveals in all its dark complexity the gulf between the normality of bourgeois family life and the horrors perpetrated by one member. This riveting family memoir provides essential new information on the private life and background of one of the twentieth century's most notorious killers: not a lone evil executioner but a middle class family man loved and fully supported by his respectable German family. It also offers a unique account of one woman's courageous attempt to deal with her chilling inheritance. It is part of the creeping discomfort in reading her book to realise the incredibly ordinary middle class background of these three sons of a rather pompous provincial headmaster and to see how right until the end he was almost able to convince himself it hadn't happened like it had. *Sunday Times*. You get a vivid sense of a particular kind of German conservatism: Roman Catholic monarchist and of how weirdly it found an outlet in the upstart part pagan thuggery of Nazism. Independent One can only admire her bravery. In a way Katrin Himmler's book is not a story about the past but one about the present. The most interesting details are the ones she gives of her own quest. *Daily Telegraph* [Himmler's Secret War](#) Martin A. Allen, 2005. With a combination of personal interviews including several with leading Nazis and with Himmler's daughter Gudrun Burwitz and the use of previously unseen documents Allen presents the whole Nazi high command in a fresh light demonstrating how Hitler was often manipulated and sometimes sidelined. But perhaps of equal interest is the inside story of secret operations conducted by the Political Warfare Executive empowered by Churchill to fight a war with weapons of destabilisation and misinformation in support of the open military campaigns. Allen portrays Himmler's ever more desperate efforts to secretly negotiate his political survival with the Allies as Hitler's war machine collapses. This book has one more revelation to make as Allen rewrites history with his account of the true circumstances of Himmler's dramatic death. **BOOK JACKET** **Himmler**
