William the Medical Medium has helped millions of people heal from ailments that have been misdiagnosed or ineffectively treated or that doctors can't resolve on their own. Now he returns with an elevated and expanded edition of the book where he first opened the door to healing knowledge from over 30 years of bringing people's lives back. With a massive amount of healing information that science won't discover for decades, Anthony gets to the root of people's pain or illness and what they need to do to restore their health now, which has never been more important. His tools and protocols achieve spectacular results, even for those who have spent years and many thousands of dollars on all forms of medicine before turning to him. They are the answers to rising from the ashes. Medical Medium reveals the true causes of chronic symptoms, conditions, and diseases that medical communities continue to misunderstand or struggle to understand at all. It explores the solutions for dozens of the illnesses that plague us, including Lyme disease, fibromyalgia, adrenal fatigue, ME/CFS, hormonal imbalances, Hashimoto's disease, MS, RA, depression, neurological conditions, chronic inflammation, autoimmune disease, blood sugar imbalances, colitis, and other digestive disorders, and more. This elevated and expanded edition also offers further immune support, brand new recipes, and even more solutions for restoring the soul and spirit after illness or life events have torn at our emotional fabric. Whether you've been given a diagnosis you don't understand or you have symptoms you don't know how to heal, or someone you love is sick, or you're a doctor who wants to care for your own patients better, Medical Medium offers the answers you need. It's also a guidebook for everyone seeking the secrets to living longer, healthier lives. The truth about the world, ourselves, life purpose—it all comes down to healing. Anthony William writes, "And the truth about healing is now in your hands."
