Bhaswati by Satananda Śatānanda,1917 *Bhaswati* ,2024 **India and EU** Bhaswati Mukherjee,2018-10-02 A popular myth maintains that Indo EU relations are best viewed through the British prism This disregards the historical evidence of Alexander s march to India and the Roman Empire s trade with India In more recent times cultural icons like Satyajit Ray have been celebrated more in Paris than elsewhere India s trade with EU especially in defence items is anchored to a greater extent in the continent rather than across the channel Brexit is now going to take

away that British prism A fresh and in many ways a profound new Indo EU relationship is about to emerge Bhaswati Mukherjee s book India and EU An Insider s View is timely It traces the past explains the present state of relationship in all its complexity and looks into the crystal ball This is an objective assessment by a highly regarded professional of the successes as also the wrinkles of the past in the relationship as well as the practical steps for a more vigorous Indo EU future Written with great fluency India and EU An Insider s view fascinates with its vignettes making it a unique and must read book

Memoranda of Midnapore, 1852 H. V. Bayley,1902 **The Forest Wails** Bhaswati Parasar ,2021-07-29

Blending diverse genre elements the book offers an innovative narrative structure to voice the fears and warnings of an apocalyptic end caused by the thoughtless destructions of nature Interfusion of thrilling adventures in the forest tales of romantic dalliances passionate depiction of the splendors of nature and the fine display of the local milieu makes the otherwise serious theme of the book an irresistible read The book poses an unswerving witness of the author of an era in the city of Guwahati and the foreboding dangers that lurks on its people The ceaseless developments done at the costs of the forests the hills and the wet lands are turning us the helpless witness to the clashes of the forest man and the city Bringing within its purview the various ecological concerns combined with the callous thoughtless actions of the political leaders corrupt government official and the ignorance and carelessness of common people the book traces all the nemeses that lead to the annihilation of the ecological balance The emotional fervor the personal appeal the tiny special narratives within the bigger framework of the book the swiping panorama of the city and the beckoning to a nostalgic past of a bygone green era of the narrator gives the book its distinctive flavor
