### 10 good safety officer interview questions

How would you go about conducting a workplace safety audit?

What is job safety analysis (JSA)? Can you walk me through the process?

What are some things you would do to implement a Hazard Communication Program?

If you saw that some employees weren't using protective equipment, what would you do?

You want to make improvements in workplace safety conditions, but one of the managers opposes it saying it's expensive and unnecessary. How would you approach the subject?

What is [e.g. gas cutting] and what dangers does it involve?

What are some safety precautions for scaffolding?

What do you know about EPA guidelines in [specific industry]?

What will be your priorities during your first week?

How do you compute noise exposure?

Here are 10 essential interview questions and sample answers to help identify the best candidates for this role.

#### 1. How would you go about conducting a workplace safety audit?

This question assesses the candidate's approach to evaluating workplace safety.

**Sample answer:**

"I would start by reviewing existing safety policies and procedures. Then, I would conduct a walk-through of the facility to identify potential hazards. Finally, I would compile a report outlining my findings and recommendations."

#### 2. What is job safety analysis (JSA)? Can you walk me through the process?

This question evaluates the candidate's understanding of job safety analysis.

**Sample answer:**

"Job Safety Analysis involves breaking down a job into its individual tasks and identifying potential hazards for each. Then, you determine preventive measures to mitigate those risks."
