COMPARISONS OF STUDENT EVALUATIONS OF TEACHING 2

Abstract

When institutions administer student evaluations of teaching (SETs) online, response rates are lower relative to paper-based administration. We analyzed average SET scores from 268 courses taught during the fall term in 3 consecutive years to determine whether administering SET forms online for all courses in the 3rd year changed the response rate or the average SET score. To control for instructor characteristics, we based the data analysis on courses for which the same instructor taught the course in each of three successive fall terms. Response rates for face-to-face classes declined when SET administration occurred only online. Although average SET scores were reliably lower in Year 3 than in the previous 2 years, the magnitude of this change was minimal (0.11 on a five-item Likert-like scale). We discuss practical implications of these findings for interpretation of SETs and the role of SETs in the evaluation of teaching quality.

Apa Sample Paper 7th Edition:

An EasyGuide to APA Style Beth M. Schwartz,R. Eric Landrum,Regan A. R. Gurung,2020-08-26 Fully updated with content from the Seventh Edition of the Publication Manual of the American Psychological Association An EasyGuide to APA Style Fourth Edition identifies common APA style and formatting mistakes and how to avoid them and helps students become better writers and communicators of psychological science

The Broadview Guide to Writing - Seventh Canadian Edition Corey Frost,Karen Weingarten,Doug Babington,Don LePan,Maureen Okun,Nora Ruddock,2022-10-18 For the seventh edition The Broadview Guide to Writing has been reorganized into three broad sections writing processes writing mechanics and writing contexts The material on argument has been expanded and revised two new sample essays in MLA style have been added and the material on researching and writing academic essays has been fully rewritten Coverage of informal and personal writing is included for the first time Features Extensive treatment of research methods and of argument In depth coverage of MLA and other citation styles Wide ranging treatment of writing styles in different academic disciplines Focused coverage of issues specific to those whose native language is not English A full chapter on language issues relating to gender race class religion sexual orientation disability etc Companion website featuring a wide range of interactive exercises

The Broadview Pocket Guide to Citation and Documentation - Third Edition Maureen Okun,Nora Ruddock,2022-05-05 Compact and convenient The Broadview Pocket Guide to Citation and Documentation Third Edition includes information on MLA APA Chicago and CSE styles of citation and documentation Based on the Documentation chapter in the acclaimed Broadview Guide to Writing this volume has been expanded with additional examples and has been fully updated to cover recent changes such as the 2020 APA and 2021 MLA updates The book discusses summary and paraphrase as well as direct quotation and it includes an extensive treatment of how to integrate quoted material into the text of an academic paper There is coverage too of what constitutes plagiarism and of how to avoid it

Research Strategies: Finding Your Way Through the Information Fog William Badke,2021-03-02 Everyone does research Some just do it better than others In this chaotic world of information and misinformation referred to as information fog university students in particular need to learn how to conduct research effectively Good research is about a quest to discover more about a burning desire to solve society's problems and make a better world Ultimately research is a way forward to a resolution of life's greatest difficulties In this seventh edition of Research Strategies Finding Your Way through the Information Fog author William Badke walks you step by step through the entire research process from choosing a topic to writing the final project and everything in between A seasoned researcher and educator Badke offers tried and true tips tricks and strategies to help you identify a problem acquire pertinent information and use that information to address the problem Employing a host of examples and humor Research Strategies Finding Your Way through the Information Fog shows how research can be exciting and fun

The ESL Writer's Handbook, 2nd Ed. Janine Carlock,Maeve Eberhardt,Jaimie

Horst, Lionel Menasche, 2017-12-20 The ESL Writer's Handbook is a reference work for ESL students who are taking college level courses. Because its purpose is to provide help with the broad variety of writing questions students may have when working on school assignments, the text focuses on English for Academic Purposes. Unlike other handbooks on the market, this book's sole purpose is to address the issues of second language learners. The spiral bound Handbook complements a student writer's dictionary, thesaurus, and grammar reference book. It would be suitable as a text for an advanced ESL writing course when used together with the companion Workbook 978 0 472 03726 1. The new edition features significant revisions to Sections 3 and 4; in particular, both APA and MLA style guides have been updated, and new sample papers for each are included. The new edition includes new and revised exercises and many new samples of student writing. Like its predecessor, the 2nd Edition has these special features: The topic selection is based on ESL writers' needs as observed by the authors over many years. The coverage of topics is more complete than the limited amount usually provided for ESL writers in first language or L1 handbooks. The explanatory language is appropriate for ESL students, in contrast to the more complex and idiomatic language of other English handbooks. Many of the examples of paragraphs, essays, research papers, and exercise sentences were written by ESL students to help users realize that they too can become effective writers. Research

Methods for Education Sandra L. Dika, Lynn Ahlgrim-Delzell, Gregory J. Privitera, 2025-10-07 This updated Second Edition of Research Methods for Education transforms complex research concepts into an accessible step-by-step guide for creating credible educational studies. Packed with real-world examples, it sharpens skills in quantitative, qualitative, and mixed methods while aligning with the latest APA guidelines, ensuring students are ready to tackle modern educational challenges.

Psychology Research Methods Wendy Heath, 2024-11-18 The second edition of Psychology Research Methods: How to Think About and Write About Research by Wendy Heath engages students with compelling studies relevant to students' lives but in a research methods context. By looking underneath the conclusions of these studies to determine which methods they use, students discover the relevance and importance of research methods. Heath also focuses on writing about research methods by presenting examples from across psychology literature, as well as writing exercises at the end of each chapter. These features help students complete their research papers with confidence while gaining a greater understanding of research methods through writing. Coverage of descriptive, experimental, quasi-experimental, small N design, and qualitative methods in psychology give students a broad overview of all methods in this clear text. The Worth Expert Guide to Writing

in Psychology Randolph Smith, 2020-03-19 Filled with practical tips and advice, this brief and easy-to-use guide helps psychology majors write more effectively in the discipline. It's a go-to resource for producing all kinds of writing projects: term papers, annotated bibliographies, literature reviews, research proposals, lab research reports, with specific guidance on planning projects, developing topic ideas, avoiding grammatical errors, and formatting in APA style.
