

3. What are your favourite three places?

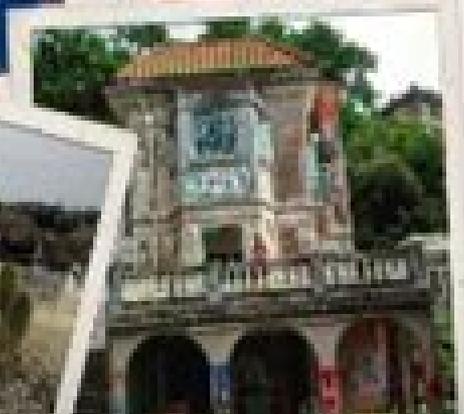

Melbourne in Australia was incredible and has to be up there. As far as travel experiences go which are still fond in the memory, I really enjoyed Ecuador and in particular exploring the Galapagos Islands. I have a soft spot for places like Banawe and Sagoda in the north of the Philippines, too.

4. What's been your scariest moment while travelling?

Wow, there have been a few! I think entering a country like Venezuela a few years ago – with all the problems it has had over the years and how many fellow travellers warned me of it – that was an overall scary experience. Just getting from A to B was difficult, especially as English isn't widely spoken there. I had to pick up Spanish quickly; it was challenging! I got wrongly arrested in Colombia once and harshly detained by Immigration in Australia too, but those are stories for another time...

5. What's the most impressive building you've seen?

The Taj Mahal to this day still stands out. It's hundreds of years old, but it looks like it's just been built. If you can get a good frame of it from your own perspective and just take it all in, it really is breathtaking.
