next day the circus comes to town Life is kind of like a roller coaster that way The citizens of Our Town also offer forays into outer space in order to rediscover previously discovered planets and a quest for god while in pursuit of a red balloon While life in Our Town may not be quite as exciting as life in places like Toledo we generally manage to fill our days quite well So these are my reflections of life in Our Town While some may seem a bit bizarre at first glance upon closer inspection they really are not that much different from the things most people experience in life After all its about values and an appreciation for the things which we hold most dear So join me as I take a stroll down memory lane Relax and have a laugh just be careful not to step in any ogre
