

Mrs Lyons convinces Mrs Johnstone to give her one of her twins to offer him a better life

BLOOD BROTHERS

PLOT STORYBOARD

Mickey and Edward become friends and blood brothers, unaware they are biological twins

After Edward returns from university, Mickey begins to grow jealous of his easier life

When Mickey loses his job and is arrested, his wife Linda seeks comfort from Edward

Learning of the affair between Edward and Linda, a jealous Mickey confronts Edward with a gun

Mickey shoots Edward when Mrs Johnstone tells them the truth. The police shoot Mickey.

Blood Brothers Plot:

The Bear and His Sons James M. Taggart, 2010-07-05 All the world over people tell stories to express their deepest feelings about such things as what makes a real man or woman what true love courage or any other virtue is what the proper relationships are between people Often groups of people widely separated by space or time will tell the same basic story but with differences in the details that reveal much about a particular group's worldview This book looks at differences in the telling of several common Hispanic folktales James Taggart contrasts how two men a Spaniard and an Aztec speaking Mexican tell such tales as The Bear's Son He explores how their stories present different ways of being a man in their respective cultures Taggart's analysis contributes to a revision of Freud's theory of gender which was heavily grounded in biological determinism Taggart focuses instead on how fathers reproduce different forms of masculinity in their sons In particular he shows how fathers who care for their infant sons teach them a relational masculinity based on a connected view of human relationships Thus *The Bear and His Sons* will be important reading not only in anthropology and folklore but also in the growing field of men's studies

Boundaries in Medieval Romance

Neil Cartlidge, 2008 Medieval romance frequently and perhaps characteristically capitalises on the dramatic and suggestive possibilities implicit in boundaries not only the geographical political and cultural frontiers that medieval romances imagine and imply but also more metaphorical demarcations It is these boundaries as they appear in insular romances circulating in English and French which the essays in this volume address They include the boundary between reality and fictionality boundaries between different literary traditions modes and cultures and boundaries between different kinds of experience or perception especially the altered states associated with sickness magic the supernatural or the divine
