Blue Moon Big Band:

All of Me Jos Willems, 2006-04-30 Louis Satchmo Armstrong was not only jazz's greatest musician and innovator but also arguably its most famous entertainer and the frontal figure in the development of contemporary popular music. Overcoming social and political obstacles he created a long and impressive career and an enormous musical output. Now his groundbreaking musical career is amassed and detailed in this discography of all his works from professionally made commercial releases to amateur and unissued recordings. All of Me is a comprehensive chronological discography born out of love and admiration for Louis Armstrong and devotion to years of collecting his musical accomplishments. Author Jos Willems has meticulously compiled all of Satchmo's known recordings both studio and live performances and with assistance from internationally renowned specialists has assembled an impressively detailed accurate and complete listing. This volume is superbly formatted and presented logically organized and thoroughly indexed by song title and individual. Researchers, collectors and enthusiasts can easily look up any detail of a recording, issues and releases of particular songs, publishing companies, producers, catalog numbers, dates, times and locations of recordings, musicians Armstrong played with and format be it 78 or 45 RPM records, LPs, CDs or media appearances. Every detail of Armstrong's career is listed in this impressive volume shedding light on the enormity of his impact on jazz and popular culture.
