**The Printed Circuit Designer's Guide To... Documentation** DownStream Technologies,2019-08-15 When the PCB layout is finished the designer is still not quite done The designer s intent must still be communicated to the fabricator through accurate PCB documentation Documentation can be an error prone task one that may take up to 20% of the total PCB design cycle time Many designers still utilize documentation strategies that date to the 80s and 90s This book written by Mark Gallant of DownStream Technologies explains how the automated documentation solutions of today can eliminate post processing errors and speed up time to market This book is a must read for any PCB designers or design engineers who would like to adopt 21st century PCB documentation processes *The Printed Circuit Designer's Guide To...
