## **Bodie Investments 11th Edition:**

Investments Zvi Bodie, Alex Kane, Alan J. Marcus, 2018 The integrated solutions for Bodie Kane and Marcus Investments set the standard for graduate MBA investments textbooks The unifying theme is that security markets are nearly efficient meaning that most securities are priced appropriately given their risk and return attributes The content places greater emphasis on asset allocation and offers a much broader and deeper treatment of futures options and other derivative security markets than most investment texts Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need when they need it and how they need it so that your class time is more engaging and effective

**Essentials of Investments** Zvi Bodie, Alex Kane, Alan J. Marcus, 2019 The market leading undergraduate investments textbook Essentials of Investments by Bodie Kane and Marcus emphasises asset allocation while presenting the practical applications of investment theory The authors have eliminated unnecessary mathematical detail and concentrate on the intuition and insights that will be most useful to practitioners throughout their careers as new ideas and challenges emerge from the financial marketplace The eleventh edition includes increased attention to changes in market structure and trading technology while continuing to be organised around one key theme that security markets are nearly efficient
