Enoch, Jubilees, Jasher Joseph Lumpkin, 2014 Three of the most popular and sought after apocryphal books are now presented in a single volume The Book of Enoch is quoted by Jude cited by Peter and read by the apostles Enoch 1 Enoch informs our ideas of angels and demons The book describes the fall of a group of angels called the Watchers who took the daughters of men as wives and fathered the Nephilim Genesis 6 1 2 Enoch goes on to record amazing visions of heaven and the workings thereof Enoch is an ancient Jewish religious work traditionally ascribed to Enoch the great grandfather of Noah It is regarded as canonical by the Ethiopian Orthodox Church The Book of Jubilees also known as The Little Genesis and The Apocalypse of Moses opens with an extraordinary claim of authorship It is attributed to the very hand of Moses penned while he was on Mount Sinai as an angel of God dictated to him regarding those events that transpired from the beginning of the world The story is written from the viewpoint of the angel The angelic monolog takes place after the exodus of the children of Israel out of Egypt The setting is atop Mount Sinai where Moses was summoned by God The text then unfolds as the angel reveals heaven's viewpoint of history We are lead through the creation of man Adam's fall from grace the union of fallen angels and earthly women the birth of demonic offspring the cleansing of the earth by flood and the astonishing claim that man's very nature was somehow changed bringing about a man with less sinful qualities than his antediluvian counterpart The story goes on to fill in many details in Israel's history ending at the point in time when the dictation began on the mount The Book of Jasher reveals a large quantity of additional information about the period between divine creation and the time of Joshua's leadership over Israel when the Israelites enter into the land of Canaan The Book of Jasher includes details about the antediluvian patriarchs angels watchers the flood the tower of Babel and many other events mentioned in the Bible The tales are expanded and infused with detail not previously available This means we receive insight into the lives of Abraham Noah Enoch Joseph and many other biblical figures We come to understand how they became great and why they acted as

they did We are also given hitherto unknown knowledge of historical events We are shown how God s hand shaped history through his love and anger We see how his disappointment with men and angels ended in earth s near total destruction

Genesis Retold (2nd Ed.) Various, 2016-12-05 Genesis Retold is a single volume that contains four individual books 1 Enoch Jasher Jubilees and The Testaments of the Twelve Patriarchs T12P All translations have been emended and edited for accuracy and brought closer in line with the source texts that we have available to us today In the case of Enoch and Jubilees the English version set forth here is a major revision of the monumental work by Dr R H Charles His work was revised to bring it closer in line with the Aramaic and Hebrew texts uncovered at Qumran which were not

available to him Likewise the existing Ethiopic Latin and Greek texts were also consulted Similarly the Testaments of the Twelve Patriarchs was also highly revised and emended from Charles English translation including some fragments from an Aramaic Testament of Levi from the Cairo Genizah and a Hebrew Testament of Naphtali which was found among the Dead Sea Scrolls The Book of Jasher set forth here is a major revision of J H Parry Co s English translation which has been emended and brought closer in line with the Hebrew source text that underlies it It was discovered in this process that numerous entire sections present in the Hebrew text have been omitted from the current English versions for more than a century The version available in Genesis Retold includes these sections Above all else Genesis Retold has treated the Name of the Almighty with special care As further explained in the Preface the Name is written in Hebrew block print letters as yod hey vav hey also called the Tetragrammaton This should avoid dogmatic debate over pronunciation However placing the Name into the English text was not an arbitrary process The underlying source texts were carefully examined and compared to see where placeholders were used to determine where the Name would be if it were a Hebrew original All other names have likewise been restored to a Hebraic pronunciation when possible All Elizabethan English style terms thee thou thine dost etc have been revised into modern English and thousands of entire sentences have been rewritten and or reworded to flow better in Modern American English Multiple appendices fill the back of the book including an etymological breakdown of the names of the key angels in Enoch The final appendix includes a list of more than 130 verses in the New Testament and corresponding passages in the books of Genesis Retold Many of these show direct correlation and even quotes between these books and the New Testament There are also nearly 600 footnotes that further elaborate on word definitions provide cross references between the books and Biblical books provide variant readings and highlight other possible translations This is more than just a Restored Name version This is a Critical Edition with Names Restored keeping in the tradition of the Literal English Version family of books

The Glory of God Rev'd Dr Graham J Whelan OAM, 2022-01-10 It is difficult for my finite mind even with the glorious guiding of The Holy Spirit The Eternal Third Person of the Holy Trinity to clearly define all the attributes of qualities of the Glory of God The One True God of the Bible I enclose here and repeat later for emphasis the truth of God s Glory in Heaven Revelation 4 and Revelation 5

- 1 After this I looked and there before me was a door standing open in heaven And the voice I had first heard speaking to me like a trumpet said Come up here and I will show you what must take place after this
- 2 At once I was in the Spirit and there before me was a throne in heaven with someone sitting on it
- 3 And the one who sat there had the appearance of jasper and carnelian A rainbow resembling an emerald encircled the throne
- 4 Surrounding the throne were twenty four other thrones and seated on them were twenty four elders They were dressed in white and had crowns of gold on their heads
- 5 From the throne came flashes of lightning rumblings and peals of thunder Before the throne seven lamps were blazing These are the seven spirits of God
- 6 Also before the throne there was what looked like a sea of glass clear as crystal In the center around the throne were four living creatures and they were

covered with eyes in front and in back 7 The first living creature was like a lion the second was like an ox the third had a face like a man the fourth was like a flying eagle 8 Each of the four living creatures had six wings and was covered with eyes all around even under his wings Day and night they never stop saying Holy holy holy is the Lord God Almighty who was and is and is to come 9 Whenever the living creatures give glory honor and thanks to him who sits on the throne and who lives for ever and ever 10 the twenty four elders fall down before him who sits on the throne and worship him who lives for ever and ever They lay their crowns before the throne and say 11 You are worthy our Lord and God to receive glory and honor and power for you created all things and by your will they were created and have their being Revelation 5 13 To him who sits on the throne and to the Lamb be praise and honor and glory and power for ever and ever

Crushing Conceptualism in Modern Christianity Andrew Michael Denny, 2019-09-18 A heavy spirit of conceptualism has infiltrated the modern Christian establishments Our traditions philosophies theologies etc Everything our beliefs are built upon has been influenced by an elite world class system Have you ever felt like there has to be more to our placement in this world than going through the motions of the Sunday morning ritual called church More to this thing we call Christianity If so this book is what you have been waiting for A truth movement has emerged A remnant of modern Ark Builders endeavors to awaken those who are still asleep Every day we see evidence of what the Bible describes as spiritual wickedness in high places Ephesians 6 12 Those who secretly govern our world have an agenda to unite and target professing Christians The motive is world dominance and the method is mind control to brainwash the mass into conforming to what is socially acceptable and politically correct But we are not ignorant of the enemy s strategies This book equips its readers with information exposing this deception as it bridges the gap between conspiracy theory and demonic activity You are about to open the door to a world you never knew existed a reality of which you never knew you were a part Prepare yourself Once you see you will never be able to unsee this realm again
