Fundamentals of Social Work Research Rafael J. Engel, Russell K. Schutt, 2014-01-14 Designed to help students develop skills in evaluating research and conducting studies this brief version of Rafael J Engel and Russell K Schutt s popular *The Practice of Research in Social Work* makes principles of evidence based practice come alive through illustrations of actual social work research With integration of the CSWE Competencies the text addresses issues and concerns common to the discipline and encourages students to address diversity and ethics when planning and evaluating research studies The Second Edition includes a focus on qualitative research a new chapter on research ethics new sections on mixed methods research and community based participatory research and more *Understanding the Social World* Russell K. Schutt, 2019-12-20 The author is a proud sponsor of the 2020 SAGE Keith Roberts Teaching Innovations Award enabling graduate students and early career faculty to attend the annual ASA pre conference teaching and learning workshop *Understanding the Social World Research Methods for the 21st Century* is a concise and accessible introduction to the process and practice of social science research Fast paced and visually engaging the text crosses disciplinary and national boundaries pays special attention to concern for human subjects and focuses on the application of results As it rises to the requirements of a world shaped by big data and social media Instagram and avatars blogs and tweets the text also confronts the research challenges posed by cell phones privacy concerns linguistic diversity and multicultural populations The Second Edition discusses newly popular research methods highlights the fascinating work being conducted by contemporary social researchers and includes enhanced tools for learning in the text and online Included with this title The password protected Instructor Resource Site formally known as SAGE Edge offers access to all text specific resources including a test bank and editable chapter specific PowerPoint slides *Strategic Risk* James M. Collins, Timothy W. Ruefli, 2012-12-06 *Strategic Risk* examines a fundamental issue in the field of strategic management and organizations how to study changes in the competitive outcomes of firms Collins and Ruefli develop the concept of ordinal risk and extend this concept and its associated measures to the more general framework of state defined systems The book makes the state defined risk methodology more accessible to strategic management researchers and to social scientists in general The need for quantitative frameworks with which to analyze the dynamics of strategic management has been apparent for some time The state defined risk methodology has the advantage of being based on a common usage definition of risk and is also based on a mathematically well behaved function It permits investigation of the chance of gain while yielding a measure of environmental uncertainty Finally the development is general and permits applications employing a variety of performance dimensions over a range of entities in a diversity of contexts The authors demonstrate the practicability and reliability of this approach by applying the model to mutual funds large mining and manufacturing firms and public firms on an industry by industry basis **Paediatric Exercise Science and Medicine** Neil Armstrong, Willem van Mechelen, 2008-10-23 This text

explains the principles of developmental exercise science assessment of performance the promotion of young people s health and well being and the clinical diagnosis and management of sports injuries in children and adolescents **Assessment of Good Governance Practices. The Case of Somali Regional State Management and Public Service College** Abdulahi Muktar,2025-11-04 Master s Thesis from the year 2023 in the subject Politics Region Africa grade VERY GOOD language English abstract The study assessed the practices of Good governance in The Management and Public Service College of the Somali Regional State To get the study s purpose a descriptive research design and mixed research approach were employed In sampling process Stratified Simple random and Purposive sampling methods were used Structured questionnaires interviews and Focus Group Discussions also were used The data through questionnaires were analyzed descriptively while qualitative data were analyzed thematically Pre testing and internal consistency analysis were used as reliability test Participation Transparency and Accountability principles were used as good governance indicators of the study The result of the study indicated that the college was not effective in attaining the principles of good governance as found that the college has not strong culture of community engagement in the policies and decisions not transparent in its decision making processes and that the college is not held responsible for its actions to the community Finally the study recommended that the college to increase community engagement in the formulation of the policies and programs being transparent in the implementation of the policies and decisions and held accountable to the community in every action and process concerning the college s affairs The Validity of Practical Intelligence Measures as Constructs in the Context of Academic and Vocational Programs in High School Michael John Herrick,2001 *Outcome Measures for Effective Teamwork in Inpatient Care* Melony E. Sorbero,Donna O. Farley,Soeren Mattke,Susan L. Lovejoy,2008-02-28 Addresses one step in the process of moving from teamwork training to teamwork practices that improve outcomes of care identifying outcomes that are most likely to be affected as teamwork practices improve in an implementing organization Discusses a literature search methods for selecting and testing candidate measures measures highly rated by clinical experts and results of measure testing on administrative data of the DoD health system The Determinants of Patient Satisfaction with Medical Care Among Depressed Primary Care Patients Karen Ann Swanson,2002 Information Coding Using Fuzzy Set Theory Manu Banga,2022-10-07 Document in the subject Mathematics General Basics language English abstract Chapter 1 In this chapter a brief literature survey on measures of entropy and divergence measures is presented It also outlines the basic concepts of fuzzy sets A brief review on fuzzy information measures and fuzzy directed divergence are given here The concept of multiple criteria decision making problem is also presented In addition a general overview of coding theory is given and summarizes the objectives with an overview of the work reported in later chapters Chapter 2 In Chapter 2 after reviewing some literature on measures of information for fuzzy sets a new generalized fuzzy information measure involving two parameters of order and type has been introduced The necessary properties of the proposed measure have been verified Further the monotonic

nature of generalized fuzzy information measure with respect to the parameters is studied and the validity of the same is verified by constructing the computed tables and plots on taking different values of the parameters Chapter 3 Divergence is an important measure in information theory as well as in fuzzy set theory which has widely used by researchers in many application areas Generalized divergence measures provide flexibility to the users and enhance their applicability range This chapter proposes a new generalized fuzzy divergence measure It may be remarked that the strength of a measure lies in its properties The new measure has important properties proved in this chapter to enhance the employability of this measure Special cases are also discussed for providing particular results Chapter 3 deals with the introduction of a new generalized measure of fuzzy directed divergence involving two real parameters The proposed measure satisfies all the necessary properties of being a measure Some additional properties of the proposed measure have also been studied Further the monotonic nature of generalized fuzzy directed divergence measure with respect to the parameters is studied and validity of the same is checked by constructing the computed tables and plots on taking different fuzzy sets and different values of the parameters Corresponding measures of total ambiguity and fuzzy information improvement have also been defined and studied
