Paper Towns Epub:

Order and Disorder Luna Khirfan, 2017-06-07 As Middle Eastern cities weather the second decade of the twenty first century they face a number of challenges to their economic resilience competitiveness and internal stability In this uniquely tense realm for the urban public an understanding of the dynamics of decision making processes citizen power and the rule of law is critical to the direction of policy in the future In *Order and Disorder* Luna Khirfan weaves a cross national comparison of Amman and Cairo that dissects the many layers and complexities of urban governance Through case studies on a diverse array of development projects and their associated challenges the contributors demonstrate how three actors the state the market and civil society interact with each other within the same urban political space First they argue that interplay between the state and civil society reveals the potential of urban majorities and the discords within current participatory planning She then delves into the neoliberal dynamics between the state and the market stressing the impact of economic push and pull factors on urban landscapes The final chapters explain why the market s relationship with civil society oscillates between exclusion and alienation Throughout the book Khirfan identifies the role of an authoritarian bargain in governing every one of these interactions In light of current regional political instability in the Middle East and North Africa *Order and Disorder* offers an arena for extrapolating lessons from urban governance to the wider political sphere

Speaking Memory Sherry Simon, 2016-12-01 An innovative account of urban memory as a conversation across languages

Toward Equity and Inclusion in Canadian Cities Fran Klodawsky, Janet Siltanen, Caroline Andrew, 2018-03-15 Housing insecurity intensified employment anxiety access to adequate services and fear of personal and structural violence are some of the issues troubling today s cities and municipalities Often these conditions most affect residents whose place in the social hierarchy makes them particularly susceptible to exclusion Seeking to redress these trends and guide research to facilitate meaningful local action *Toward Equity and Inclusion in Canadian Cities* promotes more inclusive urban environments by highlighting and comparing theoretical and practice based insights Building on feminist anti racist and anti colonialist arguments to offer action oriented solutions to inequalities and exclusions the contributors to this volume tackle themes such as LGBTQ inclusion health disparities diversity initiatives and urban planning dilemmas Through a lens of critical praxis the book explores the challenges of collaborations the negotiations required to reconceptualize research relations and the ways in which values and practices inform one another In light of the growing complexity interrelations and interactions of our world *Toward Equity and Inclusion in Canadian Cities* is a timely work that speaks to a diverse audience of activists policy makers community organizations and researchers of various disciplines
