Bonded Labour System in India Y. R. Haragopal Reddy,1995 Based partly on a survey of 195 households working in 39 stone quarries in the Guntur District of the State of Andhra Pradesh *A Global Alliance Against Forced Labour* International Labour Office,2005 This report is an account of contemporary forced labour to date It provides the first global and regional estimates by an international organization of forced labour in the world today including the number of people affected and how many of them are victims of trafficking as well as of the profits made by the criminals exploiting trafficked workers Based on these data the report highlights the gravity of the problem of forced labour From this data emerges three major categories of forced labour forced labour imposed by the State for economic political or other purposes forced labour linked to poverty and discrimination and forced labour that arises from migration and trafficking of workers across the world often associated with globalization The report provides evidence that the abolition of forced labour represents a challenge for virtually every country in the world industrialized transition and developing countries alike It assesses experience at the national level in taking up this challenge with particular emphasis on the importance of sound laws and policies and their rigorous enforcement as well as effective prevention strategies The report also reviews the actions against forced labour taken over the past four years by the ILO and its tripartite partners governments employers and workers It calls for a new global alliance to relegate forced labour to history *Bonded Labour in India* N. D. Kamble,1982 **Bonded Labour in India** Manjari Dingwaney,R. Vidyasagar,Anil Chaudhary,1986 **Steps to Compliance with International Labour Standards** Lars Thomann,2011-09-26 For more than nine decades the International Labour Organization ILO has been responsible for setting up monitoring and implementing international labour standards in order to ensure that workers around the globe enjoy minimum social protection and workers rights Lars Thomann examines the ILO s wide ranging efforts to achieve compliance with international labour standards adopted by the organization and ratified by its member states The author draws on different compliance schools of various strands of international relations theory and discusses them against the background of the ILO s compliance efforts in general and regarding the abolition of forced labour in particular He shows that even though the ILO has experience in bringing about compliance given its seniority and is in many cases successful in doing so it is not well equipped to deal with persistent cases of non compliance The book is valuable reading for researchers

and students in the field of social sciences as well as for practitioners working on international labour standards *Bonded Labour in India* Sarma Marla,1981 *Bonded Labour in India* Ravi S.
