Mourning Sickness Rebecca Comay, 2011 This book explores Hegel's response to the French Revolutionary Terror and its

impact on Germany Like many of his contemporaries Hegel was struck by the seeming parallel between the political upheaval in France and the intellectual upheaval in German thought inaugurated by the Protestant Reformation and brought to a climax by German Idealism He believed as did many others that a political revolution would be unnecessary in Germany because this intellectual revolution would preempt it Mourning Sickness provides a new reading of these ideas in the light of contemporary theories of historical trauma It explores the ways in which major historical events are experienced vicariously and the fantasies we use to make sense of them Rebecca Comay brings Hegel into relation with the most burning contemporary discussions around catastrophe revolution and the role of media in shaping our political experience The book will be of interest to readers of philosophy literature cultural studies history political theory and memory studies
