**Visions for Racial Equality** Harri Englund,2022-02-17 Focusing on David Clement Scott the head of the Church of Scotland mission in Malawi who came to see Europeans as learners in Africa this innovative book narrates the rise and demise of a unique vision for racial equality in nineteenth century Africa By immersing himself in the vernacular language and institutions Scott developed a theology of reversals to pursue justice in race relations It set him on a collision course with the Church colonial government and the White commercial interests spearheaded by Cecil Rhodes Harri Englund shows how Scott s struggle for justice was as much epistemic as political and spiritual a vision for the future in which White and Black would thrive in their mutual recognition as co knowers From linguistic translation to conflicts over land and taxation from slave trade to personal intimacies Visions for Racial Equality weaves a rich tapestry of themes in the life and times of a little known visionary
