Case Interview Bain Company

Leo Hopf, William Welter

Case Interview Bain Company:

Opening Strategy Richard Whittington, 2019-03-21 Strategy is becoming more open more transparent and more inclusive Opening Strategy tells the story of how corporate strategists and strategy consultants have worked since the middle of the last century to open up the strategy process First strategic planning then strategic management and now open strategy have all brought more people into the strategy process and provided more strategic information for the benefit of both business and society at large Informed by interviews with corporate strategists and consultants at leading firms such as General Electric and McKinsey Co and drawing on the historical archives of strategy s pioneers this book provides vivid insights into the trials and tribulations of practice change in the strategy profession Above all it stresses the hard work of the little recognized and sometimes eccentric individuals who have been leaders in practice change By building on a wide range of illustrations covering both successes and failures the book draws out general lessons for practice innovation in strategy Those studying the topic will be able to set standard strategy techniques in historical and social context and develop new areas for investigation while practising executives and consultants should gain a sense of how to innovate in strategy and how not to
