

## Flexibility and Resilience

### Introduction

Have you ever been told that you are too rigid? Or that you are too inflexible? Or that you are too set in your ways? Or that you are too stubborn? Or that you are too resistant to change? Or that you are too difficult to work with? Or that you are too much of a control freak? Or that you are too much of a perfectionist? Or that you are too much of a workaholic? Or that you are too much of a micromanager? Or that you are too much of a control freak? Or that you are too much of a perfectionist? Or that you are too much of a workaholic? Or that you are too much of a micromanager?

In the world of business, flexibility is a quality that is often sought after. It is the ability to adapt to change, to be open to new ideas, and to be willing to take risks. It is the ability to be resilient, to bounce back from setbacks, and to be able to handle stress. It is the ability to be flexible, to be able to change your mind, and to be able to work with others. It is the ability to be resilient, to be able to handle stress, and to be able to work with others. It is the ability to be flexible, to be able to change your mind, and to be able to work with others. It is the ability to be resilient, to be able to handle stress, and to be able to work with others.

Flexibility and resilience are two of the most important qualities that a leader needs to have.
