Communication Studies: Preparing Students for CAPE 3rd Edition Edlin D. Rochford, 2024-09-20

From the cover of *Communication Studies: Preparing Students for CAPE 3rd Edition* to its closing pages, there was one purpose in mind, and that is to meet the needs of the students. This book caters for the CAPE examinations from 2025 and beyond. Its basis is the new 2025 Syllabus. Creating as many questions as possible on each objective and topic found in the syllabus was one way of ensuring that students always had the information. Knowing the specific needs of my audience gave me, once again, the opportunity to keep my styling of putting the information in short and simple point form. In this edition of this book, I hope to keep its title given by the Tobagonian students: *The Bible of Communication Studies* alive. The lagniappe at the back, titled *Extra for Caribbean Studies*, is my gift to my many students who are looking forward to me, giving them the much-needed tips for the essay component of the exam.
