

The background of the cover is a dark blue field filled with a complex, fractal-like pattern of thin, white and light blue lines. These lines form a series of nested, curved shapes that resemble a stylized spiral or a series of overlapping, curved lines that create a sense of depth and movement. The pattern is most prominent on the left side, where it appears to be a series of lines radiating from a point, curving as they move towards the right. The overall effect is that of a mathematical or geometric structure, consistent with the book's title.

Discrete Mathematics

Seventh Edition
