Plato's Reasons Christopher W. Tindale, 2023-12-01 This book explores Plato's implicit understanding

of argumentation by reviewing his standing as a logician rhetorician and dialectician The question of his standing on these matters is approached on his terms gleaned from the dialogues rather than simply from the judgments of commentators Traditionally arguments are distinguished as logical rhetorical or dialectical and the source of these distinctions is taken to be Aristotle This book proceeds on the assumption that Aristotle's tripartite theory of argumentation did not arise in a vacuum and explores the different degrees to which substantive antecedents of parts of that model can be traced to Plato

**Image and Argument in Plato's Republic** Marina Berzins McCoy, 2020-08-01 Although Plato has long been known as a critic of imagination and its limits Marina Berzins McCoy explores the extent to which images also play an important positive role in Plato's philosophical argumentation She begins by examining the poetic educational context in which Plato is writing and then moves on to the main lines of argument and how they depend upon a variety of uses of the imagination including paradigms analogies models and myths McCoy takes up the paradoxical nature of such key metaphysical images as the divided line and cave on the one hand the cave and divided line explicitly state problems with images and the visible realm On the other hand they are themselves images designed to draw the reader to greater intellectual understanding The author gives a perspectival reading arguing that the human being is always situated in between the transcendence of being and the limits of human perspective Images can enhance our capacity to see intellectually as well as to reimagine ourselves vis vis the timeless and eternal Engaging with a wide range of continental dramatic and Anglo American scholarship on images in Plato McCoy examines the treatment of comedy degenerate regimes the nature of mimesis the myth of Er and the nature of Platonic dialogue itself

Rhetoric and Kairos Phillip Sipiora, James S. Baumlin, 2002-01-17 The first comprehensive discussion of the history theory and practice of kairos that is of the role timeliness or right timing plays in human
