Writing 30 Carljoe Javier,2013-01-08 e In his first essay Carl states the intent of the book to capture what I believe in at the moment and reflect the concerns and ideas that I am trying to deal with work through and reconcile at this point in my life With an overabundance of creative surplus he poured himself into the work As with some of his other work Carl gave himself a constraint Since the book would be called Writing 30 and would be reflections of one who was turning thirty why not write it all in thirty days And so he did e The essays however are not just about him In indulging nostalgia and working through his demons Carl mirrors and exemplifies issues of people going through emerging adulthood and sets a roadmap for those navigating the search for identity and sense of possibility e from the Introduction by Honey de Peralta
