Problems with Dress Code in Schools

"I felt violated in front of my peers. I was called out, and it was taking time from my education" ("Shame: A Documentary"). "It made me feel embarrassed and ashamed" ("Shame: A Documentary"). These are quotes from students at Woodford County High School who created a documentary called *Shame* to share their opinions on how harmful dress codes can be on a person's emotions. There must no longer be a dress code in schools. The codes are a problem because they do not protect children. Not only that, but also boys are not allowed to dress in female attire, the dress codes are inconsistent, and girls are targeted and sexualized. It is common for school administrators and teachers to believe if there is not a dress code, students will come to school without enough clothing, and/or they will be a distraction to other students. What these administrators do not understand is these problems would not exist if students were able to adjust to no longer "shut-shaming" and judging other students based solely on their attire. The most shocking, yet exceptional solution to these problems is to diminish the dress code all together.

Dress codes do absolutely nothing to protect children and their learning environment. The rules set a "social norm" and cause students to lose their self expression and individuality. In Colorado a third-grader was suspended after shaving her head to show support for a friend battling cancer because she had violated her school's dress code banning shaved heads (Hoewel, 1). In 2013, 5-year-old Cooper Barton from Oklahoma City was told to turn his University of

Resources in Education, 1999 Student Dress Codes and Uniforms. Research Brief Howard Johnston, 2009 According to an Education Commission of the States Policy Report research on the effects of dress code and school uniform policies is inconclusive and mixed Some researchers find positive effects others claim no effects or only perceived effects While no state has legislatively mandated the wearing of school uniforms 28 states and the District of Columbia have enacted laws addressing school attire ERIC Clearinghouse on Educational Management Fall 2002 Recent challenges have focused on the chilling effect that dress codes have on free speech e.g. the expression of religious or political ideas or the burdens that new dress requirements particularly uniforms place on poor parents who cannot afford to bring their children into compliance Also some parents and legal authorities claim that when students either are sent home or placed in isolation because of dress code violations it has a negative effect on their educational opportunity and ultimate performance Contains 6 resources

A Study on Dress Code for College Students A. H. Sequeira, 2014 Students are generally identified about their level of education and affiliation from their uniform or formal dress since ages Dress code for college students has always been a controversial issue among the various stakeholders On one side Institutions want to have dress code policies for maintaining a healthy learning environment and on the other side face opposition from the students and their parents who consider it as a meaningless restriction on them This exploratory study and literature review will examine the perceived benefits and disadvantages of having uniforms for college students with special reference to students pursuing their studies in business management An exploratory study was conducted to have an in depth knowledge about the topic Five institutions in a major city were selected as samples through non probability sampling design The five institutions represented a National Institution an autonomous institution and three other private colleges which are known for their reputation Both students teachers were selected using non probability purposive sampling technique The study is both quantitative as well as qualitative The arguments used in the design include both deductive and inductive reasoning The main research findings show that majority of the students believe that uniform incorporates discipline among them it brings down the chances of discrimination among students belonging to different economic strata in society and above all and it will develop their personality to suit the corporate world There was also a strong feeling among the students that wearing the same uniform for a long time is very boring

Early Steps to the foundation of Modern Turkey: Nineteenth Century Reforms and the Young Turk Revolution

Can Esen, 2012-01-13 Essay from the year 2011 in the subject History of Europe Modern Times Absolutism Industrialization grade A St Mary s University course Politics of the Middle East language English abstract The modern Republic of Turkey has been hesitant to embrace its Ottoman past for nearly three quarters of a century following the years of its foundation During the Ottoman period majority of the people were living an Islamic lifestyle under the guidance of traditional Islamic shari a law This situation was challenging to the modern secular ideas of the young republic In order to overcome this problem the new secular state controlled religious affairs and abolished the institution of Caliphate Moreover founders of the modern Turkey created a National Assembly and which served as the early steps to the representative democracy There were series of reforms on the education military system women s rights and general dress code for public places However although Ataturk and his friends contribution to the Turkish modernization is undeniable it should be made clear that his ideas were inspired both by the realities of his time and more importantly the reforms of the late Ottoman period Thus contrary to what primary level education which is taught in state schools in Turkey suggests it is hard to claim that he singlehandedly invented all the ideas and reforms concerning the Turkish modernization In fact the idea of Turkish modernization long predates the foundation of the secular republic There had been reforms from top to down during the nineteenth century These were followed by a new group of intellectuals who were influenced by the ideas of Enlightenment and French Revolution who were called Young Turks The Young Turk movement which was emerged among the students of higher learning schools of Istanbul attracted many other members of the society The members of the movement were united in their opposition to the personal rule of the Sultan and created the backbone of the modern democratic reforms happened during early years of the modern Turkish Republic Hanioglu 2011
