Purienne Henrik Purienne, 2013 Voyeuristic sun drenched and sexually charged the photographs of Henrik Purienne offer high fashion escapism What is an average day like for Henrik Purienne an interviewer once asked I wouldn t know the South African photographer replied Unless of course average can be defined as hedonistic sun drenched and beachside Draped across a vintage car or an unmade bed rolling in the sand or standing waist high in an endless ocean the subjects of Purienne s photographs convey a sexuality that s as nostalgic as it is au courant at once innocent and sultry The founder of Mirage magazine Purienne always seems to have his camera pointed away from real life and toward a fantasy of beautiful girls with nothing on their minds but fun and even less on their bodies Paging through these stunning photographs however readers will appreciate Purienne s adroit staging and composition ingenious use of light and impeccable styling all the skills that have made him one of today s most sought after fashion photographers
