as he is forced to navigate alone the court intrigues at Kesh But unbeknownst to anyone Borric lives and has escaped his captors In a strange land with a price on his head Borric must use all his wits and stamina to find his way back to his brother On separate paths the two men one a fugitive and one a future king make their journey toward maturity honor and duty For every step they take could sway the fragile peace of the land as those who crave war rally against them and become ever more daring
