

# School Counseling Essentials

## Conflict Resolution Lesson Plan

<b>Objective:</b>	Students will explore the various ways to resolve a conflict through discussion and role play.		
<b>Duration</b>	1-hour	<b>Grade Level</b>	Middle & High School
<b>ASCA Mindsets &amp; Behaviors</b>	M.1. Self in development of whole self, including a healthy balance of mental, socio/emotional, and physical well-being S-LS.1 Demonstrate critical thinking skills to make informed decisions S-LS.7. Gather evidence and consider multiple perspectives to make informed decisions		
<b>Supplies Needed</b>	Object, blank paper, "Ways to Resolve a Conflict" worksheet for each group, "Role Play Scenarios" cut into strips to hand out, (optional exit tickets)		
<b>Icebreaker (5 min.)</b>	Choose an object to display in front of the group. It can be a toy, rock, or common object. Give students a piece of paper and 3 minutes to brainstorm how many different ways they could use this item. Allow students to volunteer some of their ideas. Explain that every day we have conflicts in our lives, but they can resolve them by brainstorming solutions just like they did with this activity. (For example show a spatula and give students 3 minutes to brainstorm all the ways they can use a spatula. Tell them to get really creative. When they are done, have them share their ideas. Tell them that in life we will run into many conflicts but there is not just one way to solve it, that there are several ways to solve conflicts, we just need to be creative and think outside the box, just like they did with the spatula.)		
<b>Pre-teach Concept (2 min.)</b>	Define the word "conflict" to disagreement, a struggle, lack of harmony). Make sure students understand the definition. Give a few examples to pre-teach the concept.		
<b>Worksheet (10 min.)</b>	Put students in groups of 4. Give students the "Ways to Resolve a Conflict" worksheet to fill out together. Have a group discussion using the reflection questions in the next step.
