

LET IT GO

Music and Lyrics by Kristen Anderson-Lopez and Robert Lopez

Don't let them in, don't let them see: be the good girl you
al - ways have let be. Con - ceal, don't feel, don't let them know...
Well, now they know. Let it go, let it
go: can't hold it back an - y - more. Let it go, let it
go: turn a - way and slam the door.
I don't care what they're going to say, let the
storm rage on. The cold nev - er both-ered me an - y - way.

[I Am Brian Wilson](#) Brian Wilson, 2016-10-11 They say there are no second acts in American lives and third acts are almost unheard of That s part of what makes Brian Wilson s story so astonishing As a cofounding member of the Beach Boys in the 1960s Wilson created some of the most groundbreaking and timeless popular music ever recorded With intricate harmonies symphonic structures and wide eyed lyrics that explored life s most transcendent joys and deepest sorrows songs like In My Room God Only Knows and Good Vibrations forever expanded the possibilities of pop songwriting Derailed in the 1970s by mental illness drug use and the shifting fortunes of the band Wilson came back again and again over the next few decades surviving and finally thriving Now for the first time he weighs in on the sources of his creative inspiration and on his struggles the exhilarating highs and the debilitating lows I Am Brian Wilson reveals as never before the man who fought his way back to stability and creative relevance who became a mesmerizing live artist who forced himself to

reckon with his own complex legacy and who finally completed Smile the legendary unfinished Beach Boys record that had become synonymous with both his genius and its destabilization Today Brian Wilson is older calmer and filled with perspective and forgiveness Whether he s talking about his childhood his bandmates or his own inner demons Wilson s story told in his own voice and in his own way unforgettably illuminates the man behind the music working through the turbulence and discord to achieve at last a new harmony

The Music of Film Steven A. Saltzman,2022-08-18 The Music of Film opens up the world of film music from the inside Through a series of interviews and conversations with professional composers music supervisors music editors and picture editors this book shows how music for film and television works according to insiders in the industry Here we find a comprehensive collection of techniques and personal insights and get a unique perspective on how these key players in postproduction interact collaborate and successfully build their careers The Music of Film is essential reading for composers editors directors and producers aspiring and established alike or anyone interested in learning how to start or manage a profession working with music in feature films television and other media
