Submarine Cable Map 2017, 2017 *Measuring the Digital Transformation A Roadmap for the Future* OECD, 2019-03-11 Measuring the Digital Transformation A Roadmap for the Future provides new insights into the state of the digital transformation by mapping indicators across a range of areas from education and innovation to trade and economic and social outcomes against current digital policy issues as presented in *Going Digital Shaping Policies Improving Lives* *The Routledge Handbook of Transregional Studies* Matthias Middell, 2018-11-08 The Routledge Handbook of Transregional Studies brings together the various fields within which transregional phenomena are scientifically observed and analysed This handbook presents the theoretical and methodological potential of such studies for the advancement of the conceptualization of global and area bound developments Following three decades of intense debate about globalization and transnationalism it has become clear that border crossing connections and interactions between societies are highly important yet not all extend beyond the borders of nation states or are of truly world wide reach The product of extensive international and interdisciplinary cooperation this handbook is divided into ten sections that introduce the wide variety of topics within transregional studies including Colonialism and Post Colonial Studies Spatial Formats International Organizations Religions and Religious Movements and Transregional Studies and Narratives of Globalization Recognizing that transregional studies asks about the space making and space formatting character of connections as well as the empirical status of such connections under the global condition the volume reaches beyond the typical confines of area and regional studies to consider how areas are transcended and transformed more widely Combining case studies with both theoretical and methodological considerations The Routledge Handbook of Transregional Studies provides the first overview of the currently flourishing field of transregional studies and is the ideal volume for students and scholars of this diverse subject and its related fields The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Trade and Regional Integration in South Asia Selim Raihan, Prabir De, 2020-04-27 Gathering contributions from leading academics and international trade experts from South Asia this book is dedicated to the late Dr Saman Kelegma whose untimely death in June 2017 left a huge void in the field of regional economic cooperation Keeping in mind his enduring legacy regarding regional cooperation in South Asia it covers issues related to the challenges of deeper regional integration in South Asia and proposes strategies to address these challenges It also offers an up to date rigorous academic analysis of various issues related to low intra regional trade in South Asia prevalence of tariff barriers incidence of a range of non tariff measures challenges of weak trade related infrastructure and the need for trade facilitation the political economics of regional integration highlighting how bilateral political relations affect the integration process low level of intra regional investment South Asia's pattern of integration with the global and regional value chains pattern and dominance of informal trade and

alternative regional integration initiatives in South Asia such as the bilateral regional and sub regional trade agreements within and countries outside this region Intended primarily for researchers and students of international trade and policymakers from South Asia and beyond the book is also a valuable supplementary reference resource for researchers and students Furthermore the pragmatic analysis of the policy options presented offers guidance for policymakers in South Asia wanting to implement effective policies and strategies for deeper regional integration

Memes to Movements An Xiao Mina, 2019-01-08 A global exploration of internet memes as agents of pop culture politics protest and propaganda on and offline and how they will save or destroy us all Memes are the street art of the social web Using social media driven movements as her guide technologist and digital media scholar An Xiao Mina unpacks the mechanics of memes and how they operate to reinforce amplify and shape today s politics She finds that the silly stuff of meme culture the photo remixes the selfies the YouTube songs and the pun tastic hashtags are fundamentally intertwined with how we find and affirm one another direct attention to human rights and social justice issues build narratives and make culture Mina finds parallels for example between a photo of Black Lives Matter protestors in Ferguson Missouri raising their hands in a gesture of resistance and one from eight thousand miles away in Hong Kong of Umbrella Movement activists raising yellow umbrellas as they fight for voting rights She shows how a viral video of then presidential nominee Donald Trump laid the groundwork for pink pussyhats a meme come to life as the widely recognized symbol for the international Women s March Crucially Mina reveals how in parts of the world where public dissent is downright dangerous memes can belie contentious political opinions that would incur drastic consequences if expressed outright Activists in China evade censorship by critiquing their government with grass mud horse pictures online Meanwhile governments and hate groups are also beginning to utilize memes to spread propaganda xenophobia and misinformation Botnets and state sponsored agents spread them to confuse and distract internet communities On the long winding road from innocuous cat photos internet memes have become a central practice for political contention and civic engagement *Memes to Movements* unveils the transformative power of memes for better and for worse At a time when our movements are growing more complex and open ended when governments are learning to wield the internet as effectively as protestors Mina brings a fresh and sharply innovative take to the media discourse
