Complete continence gives great intellectual and spiritual power. Controlled desire leads to the highest results. Transform the sexual energy into spiritual energy. The stronger this force, the more can be done with it. Only a powerful current of water can do hydraulic mining.

2. **Swami Vivekananda attributed his phenomenal mental powers to a lifelong observance of brahmacharya.** A few days ago, a new set of the Encyclopedia Britannica had been bought for the Math. Seeing the new shining volumes, the disciple said to Swamiji, "It is almost impossible to read all these books in a single lifetime." He was unaware that Swamiji had already finished ten volumes and had begun the eleventh. Swamiji: What do you say? Ask me anything you like from these ten volumes, and I will answer you all. The disciple asked in wonder, "Have you read all these books?" Swamiji: Why should I ask you to question me otherwise?

Being examined, Swamiji not only reproduced the sense, but at places the very language of the difficult topics selected from each volume. The disciple, astonished, put aside the books, saying, "This is not within human power!"

Swamiji: **Do you see, simply by the observance of strict Brahmacharya (continence) all learning can be mastered in a very short time – one has an unflinching memory of what one hears or knows but once. It is owing to this want of continence that everything is on the brink of ruin in our country.**
