Collective Identity and Integration Policy in Denmark and Sweden Marilena Geugjes, 2021-08-16 This book discusses the interrelationship between practices of collective self interpretation in this case national identity construction and integration policies using the example of Denmark and Sweden Though both countries are considered to be socially progressive and modern not least by themselves the author makes the novel and provocative argument that both Denmark and Sweden are caught in a discourse paradox

when it comes to integration policy which stands in the way of successful immigrant integration The author uses an innovative approach to reconstruct the Danish and the Swedish national identity by using social studies schoolbooks and novels as research material thereby adding an interdisciplinary dimension to the book About the author Marilena Geugjes is a postdoctoral researcher at the University of Applied Sciences in Wiesbaden Germany She earned her doctorate in Political Science at Heidelberg University Her research focuses on migration and integration policy local politics and the role of the police

**Developments in Swedish Social Policy** A. Gould,2001-05-21 For many decades Sweden was seen as a model welfare state Only with the onset of economic problems in the 1990s have successive governments felt compelled to curb social spending and abandon the goal of full employment This book is about the changes introduced and the political institutional and cultural resistance they encountered Detailed accounts of changes to welfare services and benefits are included alongside specialist chapters devoted to areas where Sweden itself has claimed to be something of a leader the care of the elderly gender equality employment issues and substance
