who carry on in spite of it all If you have felt undervalued have been overworked and have felt stuck in the rat race of corporate survival this book is for you It is a saga that enshrines a private employee s married relationship with struggles and sacrifices and thus says every silent warrior has the right to be heard

**Tales of the Fort Whiskey Creek Trading Post** Robert R. Dahlgren,2010-03 It was the morning of July 4 1868 Events were about to occur that would remain in local folks memories for a long long time and eventually become securely lodged in the lore of the old American West The sun had risen in every shade of gold and red behind high storm clouds far To The east They were dark and laced with lightning The rumble of thunder fell on the ear like distant cannon fire and made the post horses prick up their ears and turn To The wind it promised to be another hot summer day Tales of the Fort Whiskey Creek Trading Post by author Robert R Dahlgren Is a collection of the craziest side splitting misadventures in the history of the Old West As the gang of Fort Whiskey Creek embarks on their greatest challenge growing up With charm and innocence one tale after another evokes the spirit of pioneer life on the American frontier Almost anything can and does happen in each hilarious hair raising yarn when the boys of Fort Whiskey Creek use all their ingenuity and imagination to get themselves into and out of trouble Based on real events and outright whoppers Tales of the Fort Whiskey Creek Trading Post will make you laugh make you believe in the goodness of humanity and will make you yearn for a simpler time

**How to Day Trade** Ross Cameron,2015-10-29 Success as a day trader will only come to 10 percent of those who try It s important to understand why most traders fail so that you can avoid those mistakes The day traders who lose money in the market are losing because of a failure to either choose the right stocks manage risk and find proper entries or follow the rules of a proven strategy In this book I will teach you trading techniques that I personally use to profit from the market Before diving into the trading strategies we will first build your foundation for success as a trader by discussing the two most important skills you can possess I like to say that a day trader is two things a hunter of volatility and a manager of risk I ll explain how to find predictable volatility and how to manage your risk so you can make money and be right only 50 percent of the time We turn the tables by putting the odds for success in your favor By picking up this book you show dedication to improve your trading This by itself sets you apart from the majority of beginner traders
