Farlander Col Buchanan:

Farlander Col Buchanan, 2011-01-18 The Heart of the World is a land in strife For fifty years the Holy Empire of Mann an empire and religion born from a nihilistic urban cult has been conquering nation after nation Their leader Holy Matriarch Sasheen ruthlessly maintains control through her Diplomats priests trained as subtle predators Ash is a member of an elite group of assassins the Roshun who offer protection through the threat of vendetta Forced by his ailing health to take on an apprentice he chooses Nico a young man living in the besieged city of Bar Khos At the time Nico is hungry desperate and alone in a city that finds itself teetering on the brink When the Holy Matriarch s son deliberately murders a woman under the protection of the Roshun he forces the sect to seek his life in retribution As Ash and his young apprentice set out to fulfill the Roshun orders their journey takes them into the heart of the conflict between the Empire and the Free Ports into bloodshed and death

Stands a Shadow Col Buchanan, 2011-11-08 The Heart of the World series is an epic adventure that through the lens of its vibrant and unique world and engaging characters asks intriguing questions and illuminates the humanity at the core of both hero and villain Stands a Shadow is the second book in the series In Farlander the first book of the Heart of the World series readers met Ash an aging master assassin of the famed order of Roshun and his apprentice Nico a boy who always managed to be in the wrong place at the right time Ash and Nico one with failing health and the other with little training were sent on a suicidal mission to fulfill a contract against the favored son of the Holy Matriarch the ruler of Mann The assassination of the Matriarch s son maintained the honor and reputation of the Roshun but further destabilized a nation already beset by strife For Ash fulfilling the contract came at an enormous personal cost Now in Stands a Shadow driven by grief and anger Ash embarks on a journey that takes him through the Free Ports and towards the embattled city of Bar Khos He arrives at the city as the Holy Matriarch of Mann orders her forces to breach the walls of Bar Khos and bring it under her control Renouncing the ways of the Roshun Ash disguises himself among the Mannian soldiers determined to go to any lengths to have his revenge against the Matriarch

Farlander Col Buchanan, **The Black Dream** Col Buchanan, 2015-03-12 As the empire of Mann threatens the world with enslavement only a single island nation continues to stand in its way the Free Ports of the democras For ten years they have held their own but now the empire draws its noose even tighter over them Rallying to its defence are those from the secretive network known as the Few including the cripple and troubleshooter Coya Zezik Coya has hopes of enlisting the forest contrar in the aid of the besieged city of Bar Khos With him is Shard the only Dreamer of the Free Ports a woman capable of manipulating waking reality or the strange dimensions of the Black Dream The Roshun order of assassins have also engaged in the war at last But Ash their ailing farlander has more urgent business to overcome Facing him is a skyship voyage into the Great Hush then further journeying to the fabled Isles of Sky where he hopes bring his dead apprentice Nico back to life Yet his voyage into the unknown may save more than just Nico it may save the Free Ports themselves
