MATCH FIXING Daniela Giuffrè, Antonio Scuglia, Pina Grody, 2019-10-23 978 88 3324 087 9 Passi di MATCH FIXING iBooks Who is behind match fixing How is it done and to which aim In 2015 we wrote for Minerva Edizioni Game Over a report targeted at practitioners and more specifically at investigators Since we did not want the book to be too ponderous we provided a succinct description of a few topics that might have been interesting reading material even to non professionals These topics are dealt in depth in this volume the history of match fixing odd anecdotes and current state of affairs the profile of its main characters and the explanation of the mechanisms and complex motives behind the swindle as well as the role played by the mafia You will not find any footnote instead the bibliography at the end of the book will provide you with book references as well as internet links all relevant and interesting although some of them in our opinion are a must for those who really wish to acquire a deep knowledge of the topic This is why we highly recommend them to you The Fix by Declan Hill 2007 is a comprehensive book on the birth of modern match fixing and its close ties to the mafia In 2014 Brett Forrest published The Big Fix where he recounts the never ending fight between law enforcement and match fixers But the real masterpieces on the subject are a book and a very long judicial document The book is the autobiography of one of the most notorious match fixers in the world Wilson Raj Perumal Kelong Kings written by two Italian scholars Alessandro Righi and Emanuele Piano The judicial document is the ordinance issued by Cremona judge Guido Salvini in the maxi investigation on Scommessopoli that took place a few years ago no doubt a less casual reading yet dramatically concrete hundreds of pages packed with wiretaps explanatory notes of criminal mechanisms and charges that

brought to its knees at least for a while match fixing in the Italian peninsula The only sources that we left in complete anonymity are those players who over time have become our friends they described to us the insider s point of view the existing dynamics in the dressing rooms the problems and weaknesses of the athletes themselves the ongoing match fixing techniques At the beginning of this long journey we took their stories with a grain of salt perceiving them as the fruit of their imagination but this is not the case anymore In reality football is not the only sport nor was it the first where match fixing took place actually in recent years other sport disciplines were targeted by match fixers In this book we only hint at the story and trends of the swindle outside of football pitches and yet it is in the world of football that the mafia invests massively its own resources and where match fixing is not the sole objective of this criminal enterprise One last remark this is not a diatribe of a book and where it was possible to report an event without mentioning the name of players who were disqualified or investigated we did so the only difference between them and many others just as guilty as they were lies in the simple fact that they got caught

KELONG KINGS Wilson Raj Perumal, Alessandro Righi, Emanuele Piano,2014-04-28 Wilson Raj Perumal has been labeled the world s most prolific match fixer in football s recent history Born a village boy in rural Singapore in the mid 60 s Wilson climbed the heights of international match fixing across five continents becoming FIFA s most wanted man Like a guppy in the sea Wilson starts off a small gambler mixing with the local Singapore bookies and witnesses the rise and fall of the old school Asian big fish of match fixing until he finds himself competing against them in a world with no set rules where turncoats are the norm and quick money the only drive Perumal was arrested in Finland in February 2011 and decided to collaborate with authorities thus opening the match fixing Pandora s box In his book Wilson reveals an unprecedented account of how the international match fixing underworld has influenced the outcomes of matches at every level of football that we may well have watched unsuspectingly Kelong Kings is the ultimate tale about gambling football and match fixing told directly by the man who made it all happen But be advised after you read this book you will never be able to watch a soccer match in the same way again
