Beautifully written! The author has succeeded in relating technical theatre information without being too technical and getting the reader to almost read three sentences and not really know what she was saying and the way I teach. When I think back on the wonderful I like to teach theatre books I try to read, I feel cheated I don't have this one as a student. I will be using this text in my class.

—BOB NAPOLI, DEPUTY AND TECHNICAL DIRECTOR AT MISSISSIPPI STATE UNIVERSITY, MISSISSIPPI

This text has simplified me to return to teaching with a textbook for the first time in over years. The language is both accessible and informal and the text goes a long way in debunking some of the typical jargon that may alienate students just getting into the field, or trying it out for the first time. The illustrations are top notch and covered with a lot of stories reinforce the fundamental information being conveyed.

—JOHN PAUL DEVLIN, ASSOCIATE PROFESSOR OF THEATRE AT SAINT MICHAEL'S COLLEGE
