Hidden Sabbath Truths Stephen Bohr,2008-01-01 Popular Bible teacher Pastor Stephen Bohr reexamines the Sabbath day in a brand new light bringing a fresh exhilarating and biblical perspective that will reignite your passion for God s holy day It s also a powerful sharing tool that connects the Sabbath with Christ s work of redemption and to the creation of the new heavens and new earth drawing other believers in a way that will fascinate and convict them of this vital Bible truth

Taken Or Left? Stephen P. Bohr,2009-08-13 Two men in the field One is taken the other left In Matthew 24 Jesus Christ reveals who the lost and the saved will be at the end of time But what did He mean when He said that some would be taken and some would be left For ages prophecy teachers have offered contradictory explanations of this enigmatic passage The popular rapture theory for instance says that those who are left are the unbelievers Others say differently But how can we know if one position or another is truly supported by Scripture Typically this debate centers exclusively on the context of the passage yet in this case context alone can be twisted any number of ways That s why in this timely study theologian Stephen Bohr approaches the issue by walking through both the Old and New Testaments to examine how the people in Jesus time and throughout the Bible would have understood these terms Step by step he builds an ironclad case that will carry you to a carefully researched conclusion that you can trust giving you a powerful foundation that will help open up Bible prophecy to you like never before

Shadow Play Stephen Bohr,2022-09-08 This book covers the entrance of sin into the world and how mankind lost their God given robe of light and righteousness and became spiritually naked But as soon as man sinned the plan of salvation that had been conceived since the foundation of the world was put into effect God had Adam see for himself what sin costs by killing innocent lambs to make skins to cover their nakedness instead of the fig leaf garments they had made for themselves thus showing that we have no power to clothe our nakedness of sin and only the death of Christ the Lamb can do so Pastor Bohr also discusses how sin is the cause of all the psychological and marital problems in the world today because Adam and Eve experienced fear shame and guilt and were shifting the blame for their sin He shares how the glorious promise of Genesis 3 15 gave them hope that a Seed would come Who would destroy the serpent but would have to suffer in doing so But there would be a long struggle coming that began with the loss of Abel as satan tried to prevent the Seed from coming and having failed to do that Revelation 12 expands Genesis 3 15 and shows how the serpent s fight will continue to the end against those God is saving purifying and preparing to take home with Him Genesis 3 15 is the seed code for the rest of the Bible and its history of the struggle between the woman her Seed and the remnant of her seed against the devil and his seed

Worship at Satan's Throne Stephen Bohr,2023-04-03 A great tragedy is facing the remnant church as the protectors of God s end time truth have begun to waver on the teachings that brought them a new powerful understanding of the Bible and prophecy Pastor Stephen Bohr now uncovers the dangers lurking within the Sabbath keeping church that seek to divide and conquer God s people crippling their ability to faithfully share the last day message with the

world and driving them onward toward compromise and apostasy Learn the methods that Satan is now using to call the faithful out of God's end time church methods that are already popular with churches compromising truth and peddling a soft gospel message that fail to truly transform lives for the heavenly kingdom This mighty call to arms will cover you with truth and the armor of God so you can stand true even against great peer pressure and opposition and be a bright beacon of light so that others will remain united under the powerful banner of the full and eternal gospel

Reflections on Women's Ordination Stephen Bohr, 2015-05-07 The church may appear as about to fall but it does not fall It remains while the sinners in Zion will be sifted out the chaff separated from the precious wheat This is a terrible ordeal but nevertheless must take place The remnant that purify their souls by obeying the truth gather strength from the trying process exhibiting the beauty of holiness amid the surrounding apostasy Ellen G White Letter 55 Dec 8 1886 written from Basel Switzerland to G I Butler and S N Haskell Dear reader does the prophetic guidance just quoted strike you as being just a tad scary If you have been paying close attention lately a movement has been steadily but stealthily building over the past several years and is now dangerously close to reaching groundswell proportions in the North American Division and beyond This movement would accomplish the objective of ordaining women as full fledged ministers of the Gospel Are you concerned Is there anything you could or should do about it Before you answer please take the time to read through this little book

To the Law and to the Testimony, 2012 In this series Pastor Bohr deals with hot button issues in contemporary Adventism including lessons to be learned from the pantheistic crisis in the early 20th century the holy flesh fanaticism and the role of the spirit of prophecy in the remnant church Also he deals with the identity and function of the 24 Elders in the governance of heavenly society Steve Wohlberg presents a fascinating series on the righteousness by faith message at the Minneapolis general conference session of 1888 Dr Teske presents a series about our character our conscience and our choices explaining how everything that makes us what we are and determines our destiny takes place within the several billion neurons that make up our brains Learn how changes can take place in the circuits of the brain and how there is huge potential for change that exists within the mind

[Bible Prophecy - Last Train to Heaven](#) P.B. Stone, 2015-09-16 We are at the dawn of Christ's glorious return Yet Christian Churches ignore the fact of the tribulation even though the Signs of the End of the Age point to His coming The Bible story is half told Christ is coming for His Bride yet most Churches are deceived and apathetic Do you know that it is an historical fact that Christianity was wedded to paganism Furthermore why aren't we told the identity of the man with the number 666 The Last Train to Heaven is a call to repentance it provides a time line of prophetic events based in Scripture An invitation is extended to all to get on board

Ball,2024-07-23 The book of Daniel is a difficult study for even the eager Bible student but its importance to the evangelical church is indisputable especially regarding eschatology Many times its content is randomly selected to formulate man made narratives about the end times that create confusion and misinformation in the church How to read Daniel is essential for understanding its theological power especially its predictive prophecy This project will demonstrate its past fulfillments its influence on Jesus first century attempts to save Israel and how it has been manipulated to assert false eschatological predictions Understanding Daniel s appointed time is crucial to its message **Spes Christiana 2020-02** Reinder Bruinsma,2021-01-12 Spes Christiana is the journal of the European Adventist Society of Theology and Religious Studies EASTRS It contains articles from all subdisciplines of theology Biblical Studies Church History Systematic Theology Practical Theology and Mission Studies as well as auxiliary disciplines Major fields and themes of publication include all that are either related to Adventism in Europe or researched by European Adventist scholars *The Reficul Parallax* David Heaukulani,2010-05-03 It is 2003 George Bush has just appeared aboard a Navy carrier flashing a Mission Accomplished banner In England a Wicca coven warns British Intelligence of a prophecy to assassinate a future US president It is to be carried out by Ramses the son of the Anti Christ British MI 5 notifies the CIA The CIA enlists the Hawaii Attorney General because Ramses was last known to be in Hawaii Hawaii authorities discover that there is more to the prophecy besides a potential assassination If the assassination is carried out it will lead to the start of Armageddon To prevent the fulfillment of the prophecy Ramses must be reunited with the Anti Christ in ancient Babylon now modern day Iraq The Bible believing Lieutenant Governor of Hawaii sees this as another piece of evidence of the approaching End Times He recruits Honolulu narcotics detective Jake Cohen Garcia a former Navy SEAL Jake is the ideal Anti Christ bounty hunter because of his born again Christian reputation and his unique Jewish Hispanic DNA Jakes DNA heritage matches up perfectly with links connected to the Wicca prophecy Jake is teamed up with two investigators and a certified exorcist priest They form a unique investigative unit The God Squad The squads mission is to locate Ramses and short circuit the prophecy of Armageddon The mission takes the squad into the bizarre world of the occult and quantum mechanics that challenges their faith their strength and their sanity the battles with the paranormal compound Cohen Garcias struggle with his personal demons and split personality It threatens to destroy his faith along with his family as it propels him toward his own destruction In the end Jakes salvation comes from an up close and personal confrontation with Ramses a holy man from another world The salvation of the world hangs in the balance *Knowledge Shall be Increased* Stephen Bohr,201? Pastor Bohr explains the day for a

year principle the Daily of Daniel 7 the 2520 non prophecy and Revelation 17 website *Futurism's Incredible Journey* Stephen Bohr,2022-11-02 By means of a secret rapture millions of Christians will suddenly vanish Snatched up to heaven to meet Christ in the clouds they will not have to face the trials that are to come upon the earth This disappearing act ushers in the seven year tribulation For the first three and one half years human conditions gradually deteriorate Meanwhile political and military power shifts to a European confederacy led by the Antichrist This strong man miraculously survives a head wound and gains unprecedented power At a point of crisis he orchestrates a seven year peace treaty in the Middle East However the Antichrist who bears Satan s mark 666 then demonstrates his true nature About midway through the tribulation he and his assistant the false prophet terrorize the world and compel everyone to bear the mark 666 on their hands or forehead This scenario does not come from some fictional novel It is the fundamental prophetic belief system of millions of Christians who claim to believe in Bible inerrancy Though it appears bizarre it is proclaimed as gospel truth by thousands of Protestant ministers and Bible teachers around the world Where does this sensational prophetic scenario come from Is it firmly based on the testimony of the Holy Scriptures Has it always been believed by the Christian church Is this really what the final conflict will look like or is Protestantism setting itself up for an overmastering delusion Keep reading because what you don t know can hurt you *Of the Times and Seasons* Kevin Straub,2017-07-31 Four forty year generations have entirely passed since 1844 Each one has failed to take hold of the high calling of being in possession of the third angel s message the last message of mercy for a dying world The delay in the return of Christ must not be charged to God s account as though He is waiting for some celestial time clock to reach a pre determined mark Although God knows the day and the hour He has been waiting for us As we look around us at the rapid deterioration of our planet and witness the increasing fulfilment of the signs of His appearing we get a deep sense that we are getting very close to the end perhaps even now entering into the time Jesus spoke of as the beginning of sorrows Are we the first generation of a new cycle of four that generation that will see the close of probation the time of trouble and the return of Christ Are there any Bible and Spirit of Prophecy evidences that point to it Read the first section of this book In the second section we take a panoramic view of the history of the movement giving an understanding of the causes of the long detour into the wilderness travelled by the professed people of God The prophet Joel points to a story that must be told a story of the wasting of four generations Joel 1 2 4 It is important that we hear this story If we do not know our history as it is we will continue to perpetuate its mistakes The message of this book is an alarm clock set to arouse God s people in the final moments of earth s history It is sure to shake the reader Accept it or reject it you won t be able to ignore it **The Bible Or Tradition** Stephen Bohr,2014 In this series Pastor Stephen Bohr compares the Jewish view of tradition of Christ s day with the Roman Catholic view of tradition today This series reveals that the Jewish leaders rejected Jesus as their Messiah because of their erroneous view of tradition The Roman Catholic concept of tradition today mirrors the view that was being taught in Christ s day Weill the Christian

churches of the world repeat the same mistakes of the past and be totally unprepared for the Messiah's second coming. A
