ICTES 2018 Robbi Rahim, Kadek Suranata, Ifdil Ifdil, Itsar Bolo Rangka, 2019-03-13 The technical program of The First ICTES 2018 consisted of 114 full papers. Aside from the high quality technical paper presentations we also held workshop and clinic manuscript that was carried out before the main track aims to strengthen the ability to write scientific publications. Coordination with the steering chairs Dr Kadek Suranata S Pd M Pd Kons and the members of organizing committee is essential for the success of the conference. We sincerely appreciate all the Advisory Boards for the constant support and guidance. It was also a great pleasure to work with such an excellent organizing committee team for their hard work in organizing and supporting the conference. In particular the Scientific Committee led by Cand Dr Robbi Rahim M Kom have completed the peer review process of technical papers and made a high quality technical program. We are also grateful to Students Conference chairs were leading by Ida Ayu Made Diah Paramiswari for their support and all the authors who submitted their papers to the First ICTES 2018. We strongly believe that ICTES conference provides a good forum for all academicians, researchers and practitioners to discuss all Educational science and technology aspects that are relevant to issues and challenge for sustainability in the 4th industrial revolution. We also expect that the future ICTES conference will be as successful and stimulating as indicated by the contributions presented in this volume.

Public Library Administration Transformed Karen Starr, Patrick Ragains, 2018-09-18 Public libraries have historically faced challenges as viable units in local government. As society struggles with issues related to the scope and effectiveness of government librarians must ask: How and why will communities support public libraries in the 21st century? *Public Library Administration Transformed* covers public library administration in a comprehensive and detailed manner. Chapters cover administrative functions of the library, public finance, administrative law, library governance, human resources, leadership, strategic planning, program management and evaluation, marketing and public relations, intergovernmental relations, cooperative government. The discipline of public administration develops skills that are vital to successful libraries. Grounded in the context of public administration, this book provides a framework for future library services focusing on effective public sector skills, organizational and service innovation, information technology, readers and the full range of library constituents. Suitable for use in public library classes, exam copies are available to qualified instructors of such courses upon request.
