### Prologue

1. The author describes this time of summer by using the analogy of being at the top of a Ferris wheel. After reading her description, create some of your own analogies to describe this time of summer.

Answers will vary but students could mention such things as: a roller coaster, the pendulum on a grandfather clock, a child on a swing or a diver in mid-dive.

2. Who sets out at dawn?

Mae Tuck sets out on her horse at dawn headed for the wood near Treegap.

3. Who was Winnie Foster?

Winnie Foster was a young girl who lived next to Treegap wood which was owned by her parents. She was growing impatient and thinking about running away.

4. Who appeared at Foster's gate at sunset? A stranger who was looking for someone, appeared at Foster's Gate at sunset

5. Explain in your own words what the author meant when she described the woods as the center of the wheel--the hub?

She meant that this was the focal point of the story, the common connection between the three characters introduced in the prologue and the place where they would all be drawn together.

6. List some synonyms and antonyms for the word everlasting.
