How To Ai Writing Assistant Ideas For Workers:

Effective Prompting: How to Think, Work, and Create With AI at a Higher Level Anthony Morgante, 2026-02-28 This book is designed for anyone looking to enhance their skills in AI prompting whether you're a beginner or already have some experience. My goal is to provide practical strategies and an initial library of prompt examples that can help you achieve better results in your projects. This book brings together the techniques and principles that helped me become proficient with AI. By using efficient and deliberate prompting methods, I've achieved better results tailored to different goals. This playbook offers actionable prompts and methods curated from real-world experience and extensive personal research to support your own AI journey. To broaden the scope, I've also included prompt variations for scenarios I haven't personally tried, researched challenges in unfamiliar use cases, and leveraged Claude Code for additional suggestions in those scenarios. While not meant to be authoritative or comprehensive, this resource provides a concise, easy-to-reference, organized listing of prompts I've found most helpful and hope you will too.
