Muslim Politics in India Srikanta Ghosh,1987 *Muslim Politics in India* Hamid Dalwai,2023-11-27 Hamid Dalwai has been called a Muslim modernizer who relentlessly worked towards promoting reason and justice among Muslims Historian Ram Guha writes He worked tirelessly to get Muslims to shed their social and religious prejudices The pursuit of gender equality was of pre eminent importance to him and he waged a long battle against triple talaq Born in a lower middle class family in rural Maharashtra in 1932 Dalwai was a gifted writer who broke on to the Marathi literary scene as a highly promising writer His novel Indhan is now recognized as a significant contribution to Marathi literature Dalwai was attracted by the ideas of Ram Manohar Lohia and became an active member of the Socialist Party Dalwai s writing displayed the same passion and forthrightness eloquence and commitment which informed all his actions as a social worker Above all was his courage of conviction which made him brave the various threats to his life and family More than once was he physically assaulted Dalwai s *Muslim Politics in India* is arguably the most perceptive analysis of Muslim politics to appear in post Independence India It retains the same freshness and relevance which it had when it was first published some three decades back First published in 1968 an enlarged edition was later published under the title *Muslim Politics in Secular India* by Hind Pocket Books Delhi in 1972 This translation the first of its kind is a product of numerous meetings which Hamid Dalwai had with noted poet Dilip Chitre during which the latter made extensive notes and rendered them into articles in English It combines his most evocative and fiery essays and emerges as a fine voice of reason relevant to our contemporary times

Muslim Politics in India Binayendra Mohan Chaudhuri,1946 *Muslim Political Discourse in Postcolonial India* Hilal Ahmed,2025-12-30 This book explores the process of monumentalisation of Indo Islamic historical places and their remaking as political sites in contemporary India situating these within the Muslim political discourse It studies the process through which various monuments such as the Jama Masjid in Delhi and the Babri Masjid in Ayodhya became political sites many decades after independence and the modes by which a memory of a royal Muslim past was articulated for political mobilisation It analyses the histories of these archaeological monuments their function their status as living memories and as heritage emerging Muslim religiosities and the internal configurations of Muslim politics in India This new edition also explores the aftermath of the Supreme Court verdict of the Babri Masjid Ram Janmabhoomi land title dispute and the Hindutva politics of heritage Raising critical questions such as whether Muslim responses to political questions are homogenous the book will greatly interest researchers and students of political science modern Indian history sociology as well as the general reader interested in contemporary India **Muslim Politics in Secular India** Hamid Umar Dalwai,1968 Muslims of India Since Partition Balraj Puri,2007 After 1947 Muslims of India acquired a different form in

terms of their role status problems challenges and opportunities The partition of the country divided them in two and later three parts and led their political bureaucratic and intellectual elite to migrate to Pakistan The expert opinion was divided about their very future W C Smith a renowned scholar of Islam for instance believed that Islam in India would emerge as more progressive dynamic liberal and creative than Pakistani Islam The fact that Muslims in India bear the same proportion in Indian Population as those in the world bear to the world population make their experience of universal value Religion has two components One is set of theological beliefs and practices Two as a basis of a social identity Even those who do not follow its beliefs and practices and are agnostics or atheists are an integral part of a religious community This book is primarily a study of Muslim community since partition But some references to pre partition lessons and Islam based on its acknowledged authorities were inevitable for the study of contemporary problems of the community This study of micro problems of Indian Muslims is a humble contribution to the vastly grown scholarly work on macro Islam About The Author Balraj Puri started his public career in 1942 as editor of a Urdu weekly in Jammu He has written over a thousand articles and authored or co authored around forty books Intercommunity relations and problems and potentialities of Muslims in India have been a matter of his special interest as a social and political activist as also a writer Apart from intervening in many conflict situation he has been extensively writing on these subjects for national dailies and academic journals and addressed many academic gatherings He has been interacting with Muslim scholars and leaders of the country belonging to various schools of thought He is vice president of the Minority Council

An Overview of Muslim Politics in India Kunwar Muhammad Ashraf, 2001

Siyasi Muslims Hilal Ahmed, 2019 How do we make sense of the Muslims of India Do they form a political community Does the imagined conflict between Islam and modernity affect the Muslims political behaviour in this country Are Muslim religious institutions mosques and madrasas directly involved in politics Do they instruct the community to vote strategically in all elections What are Muslim issues Is it only about triple talaq Are Muslims truly nationalists Or do they continue to remain just an other in India While these questions intrigue us we seldom debate to find pragmatic answers to these queries Examining the everydayness of Muslims in contemporary India Hilal Ahmed offers an evocative story of politics and Islam in India which goes beyond the given narratives of Muslim victimhood and Islamic separation

Lives of Muslims in India Abdul Shaban, 2018-01-10 The fast consolidating identities along religious and ethnic lines in recent years have considerably minoritised Muslims in India The wide ranging essays in this volume focus on the intensified exclusionary practices against Indian Muslims highlighting how amidst a politics of violence confusing policy frameworks on caste and class lines and institutionalised riot systems the community has also suffered from the lack of leadership from within At the same time Indian Muslims have emerged as a mass around which the politics of vote bank appeasement foreigners Pakistanis within the country and so on are innovated and played upon making them further apprehensive about asserting their legitimate right to development The important issues of the double marginalisation of Muslim women and attempts to reform

the Muslim Personal Law by some civil society groups is also discussed Contributed by academics activists and journalists the articles discuss issues of integration exclusion and violence and attempt to understand categories such as identity minority multiculturalism and nationalism with regard to and in the context of Indian Muslims This second edition with a new introduction will be of great interest to scholars and researchers in sociology politics history cultural studies minority studies Islamic studies policy studies and development studies as well as policymakers civil society activists and those in media and journalism

A Brief History of the Present Hilal Ahmed, 2024-07-22 Present day political discourse swings between two contrary positions on the issue of Muslims Hindutva politics categorizes Muslims as a monolithic religious group to substantiate Hindu homogeneity The liberals on the other hand claim to protect Muslims as a religious minority to defend Indian democracy if not secularism In both cases Muslim identity is envisioned as a one dimensional phenomenon A Brief History of the Present attempts to go beyond the obvious to rethink the role of minorities specifically Muslims in the New India that has revealed itself since 2014 By diving deep into the complexities of Muslim identity and its role in everyday life while at the same time viewing the Muslim communities through a historical lens the author attempts to provide a far more accurate picture of Indian Muslims than what is perceived currently Through the author's interpretation of a wide range of quantitative and qualitative sources and his long experience as an observer of the Indian political scenario for more than three decades the book presents a deeply considered view of a burning question the current status of Muslims in India

The Muslim Politics of India, 2019 Growth of Muslim Politics in India Zafar-ul-Islam, 1955 The Muslim Politics of India Shri Kumar Srivastava, 2012 **Indian Muslims** Ram Gopal, 1964 **Role of Muslims in Indian Politics (1857-1947)** Kamallesh Sharma, 1985 **Islamic Movements in India** Arndt-Walter Emmerich, 2019-11-11 This book analyses the emerging trend of Muslim minority politics in India and illustrates that a fundamental shift has occurred over the last 20 years from an identity dominated self serving and inward looking approach by Muslim community leaders Islamic authorities and social activists that seeks to protect Islamic law and culture towards an inclusive debate centred on socio economic marginalisation and minority empowerment The book focuses on Muslim activists and members and affiliates of the Popular Front of India PFI a growing Muslim minority and youth movement Drawing on qualitative fieldwork undertaken since 2011 the author analyses recent literature on Muslim citizenship politics and the growing involvement of Islamist organisations and movements in the democratic process and electoral politics to demonstrate that religious groups play a role in politics development and policy making which is often ignored within political theory The book suggests that further scrutiny is needed of the assumption that Muslim politics and Islamic movements are incompatible with the democratic political framework of the modern nation state in India and elsewhere Contributing to a more nuanced understanding of how Islamic movements utilise various spiritual organisational and material resources and strategies for collective action community development and democratic engagement the book will be of interest to academics in the field of political Islam
