

This checklist is intended for flight simulator use only. It is a compromise between pure realism and having fun as a casual flightsim pilot. If necessary I tried to optimize workflow for single pilot operation and included things like FMS steps and procedures, but staying as close as possible to real checklists.

Diese Checkliste ist nur für den Gebrauch im Simulator gedacht. Es ist ein Kompromiss zwischen purem Realismus und Spielspaß für den Gelegenheits-Sim-Piloten. Wenn angebracht, habe ich den Arbeitsablauf für die Operation mit einem Piloten optimiert und auch Schritte der Programmierung der FMS mit eingebunden, und dabei versucht, so dicht wie möglich an echten Checklisten zu bleiben.

SPECIFICATIONS
