## 1.1 Welcome

As an employee of LauraM, you will receive a written Statement of Terms and Conditions of Employment also referred to as a Contract of Employment. This document outlines the general Terms and Conditions of Employment and is a confidential document between you and LauraM (hereinafter called *The Company*). Please read this Statement carefully and sign it. This signifies your acceptance of the Terms and Conditions under which you are employed. You should retain a copy of this document and a second copy will be retained by *The Company*.

## 1.2 Purpose of this Handbook

This handbook contains company information and a summary of *The Company* policies which are correct at the date of print. You should note that all policies are subject to change and variation from time to time; you are advised to check with your manager to ensure that you have access to the most up-to-date information.

The handbook is designed to give clear advice to employees and to create a culture where issues are dealt with fairly and consistently. This is a guide to your terms and conditions of employment and should be read in conjunction with your individual statement of employment. The handbook provides you with important information relating to *The Company's* policies, procedures and rules.

The information contained in this handbook applies to all our employees. Following the policies described in this handbook is considered a condition of continued employment. Failure to do so may result in the Disciplinary Procedures being invoked. The contents of this handbook shall not constitute nor be construed as a promise of employment or as a contract between *The Company* and any of its employees.

You are responsible for reading, understanding, and complying with the provisions of this handbook and you should sign and return the confirmation of receipt and understanding.

*The Company* reserves the right to make reasonable changes to any of your terms and conditions of employment. *The Company* will notify you in writing of such changes at the earliest opportunity or in any event no more than one month after such change has taken place. Any changes will be deemed to have been accepted unless written notification of any objection has been received before the end of any notification period.

Whilst this handbook aims to provide a comprehensive guide to *The Company's* terms and conditions of employment, your offer of employment letter, statement of employment and/or other company's policies and procedures may provide more authoritative details.
