Martin Meredith Free:

The Enclosures of Free Verse Erin Joyce Kappeler, 2026-01-22 Throughout the twentieth century scholars accepted that there was something called traditional poetic meter and that free verse liberated poets from the fetters of old forms In this version of literary history free verse saved poetry from cultural irrelevance and marked a broadly oppositional politics This book tells a different story and offers a radically new account of the rise of free verse poetry in the United States In the 1910s white academics editors and critics popularized free verse by arguing that it was the formal expression of a white American race For Black and Indigenous authors free verse did not reliably function as a break or an opening it was instead a form of enclosure and used to shore up racial hierarchies The story of the racialization of free verse has been consistently edited out of accounts of modernism especially those that focus on how free verse was promoted in storied little magazines such as *Poetry* and *Others* In *The Enclosures of Free Verse* Erin Joyce Kappeler returns to those magazines and their associated anthologies to show that free verse was a racial formation of whiteness and to explore how Black and Indigenous poets navigated this racialization of poetic form

Free Agent Jeremy Duns, 2010-04-30 1945 MI6 agent Paul Dark takes part in a top secret mission to hunt down and execute Nazi war criminals He will discover that everything he understood about that mission about its consequences and about the woman he once loved has been built on false foundations 1969 a KGB colonel called Slavin walks into the High Commission in Lagos Nigeria and announces that he wants to defect He has information which indicates that there is yet another double agent within the Service a devastating blow to an MI6 still coming to terms with its betrayal by Kim Philby and the rest of the Cambridge Five Dark has been largely above suspicion during those years of self recrimination But now he can see his number coming up For some it would be fight or flight time But when you discover that everything you've taken for granted and trusted for twenty four years is untrue and when your arrest may only be moments away then flight and fight may be your only option *Free Agent* is a twisting intense thriller set between London and Nigeria during the height of the Cold War It's a novel of innumerable cliffhangers within a constantly evolving moral universe and it keeps the surprises coming until the very last page

Free Labor Mark A. Lause, 2015-06-30 Monumental and revelatory *Free Labor* explores labor activism throughout the country during a period of incredible diversity and fluidity the American Civil War Mark A Lause describes how the working class radicalized during the war as a response to economic crisis the political opportunity created by the election of Abraham Lincoln and the ideology of free labor and abolition His account moves from battlefield and picket line to the negotiating table as he discusses how leaders and the rank and file alike adapted tactics and modes of operation to specific circumstances His close attention to women and African Americans meanwhile dismantles notions of the working class as synonymous with whiteness and maleness In addition Lause offers a nuanced consideration of race's role in the politics of national labor organizations in segregated industries in the border North and South and in black resistance in the secessionist South creatively reading self emancipation as the largest

general strike in U S history *Biennial Report of the State Superintendent of Free Schools of the State of West Virginia for the Years ... and ...* West Virginia.
